

2 Timothy 2:2

2 and what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also.

2021 in Review: Bobby and Lolly Wilson

Travel: I made three trips to Colombia and one to Peru.

SD card School for leaders: 400 SD cards were distributed in Honduras, Peru, and Colombia. The cards contained about six months of Biblical studies with PDF files and videos.

Zoom meetings: Over the year I have had over 160 meetings with pastors, churches, leaders, and team members.

Bible Institute Curriculum: I proposed changes in 2020 that led to developing a new and improved Bible Institute curricula and format. The development team has members from five countries, and we are creating the new preliminary classes and first-year courses now for our 2022 relaunch.

Education: I was able to complete certificates in Church Consultation and Church Revitalization.

Simon got married! I was blessed to attend and help officiate Simon and Laura's wedding in Rio Negro, Colombia. We have worked together for many years.

How can I make sure my ministry outlives me? Recruit young leaders! I praise the Lord that we have added three members to the team in Colombia this year! They are the future for World Reach in Colombia.

New Colombia team members recruited this year:

You can see their bios on the www.world-reach.org website and give to support their ministries. I want to highlight our new team members. They need your prayer and support to help us do the ministry in Colombia, and they are important to our future ministry.

Maria Velez joined World Reach this year after working with Lolly and me for many years. She was a blessing in a recent

trip to San Pedro and loved by all there! Pray for her ministry to women. This is an area that needs to be developed in Colombia.

Cristian Fuentes also joined World Reach this year. He pastors a church he planted in 2018 and teaches pastors how to study the Bible so they can preach accurately and powerfully the gospel. He was a student of the Bogota class of 2015 and has a heart for God and for His Word.

Anderson Naranjo Ruiz joined as a missionary with World Reach in October 2021. He lives and serves in Bello, Colombia. Anderson earned a degree in Sound Engineering from University San Buenaventura in Colombia in 2014 and a Certificate in Bible Studies from Rio Grande Bible College in Texas in 2016. He is an elder at the local church in Bello where his father is pastor (Hermanos Congregados en el Nombre del Señor Jesucristo) and serves by teaching the Word and helping lead worship through his music ministry.

Anderson joins our World Reach Colombia Team to advance the Bible Institutes (BI), to teach pastors and aspiring pastors through the BI, and to serve as a mentor to BI students and maintain relationships with graduates. Anderson will provide missions training and assist with strategy development for churches in Colombia. He will also develop strategies to engage and train young people for ministry.

2022 promises to be exciting as the work on the new Bible Institute curricula will (Lord willing) go live and in person!

Thank you for your prayers and support. We thank God for you.

Please consider helping me raise the support needed for Maria and Cristian to have the funds needed to fulfill their calling. Lives will be impacted, and the kingdom will be advanced.

If you are not receiving our email updates, please contact me so we can add you to the list.

For the Gospel,
