

The Huyhua family

Lima, Peru

Beloved brothers & sisters in Christ,

What God has been doing in the last two months among us, it is not only a reason for gratitude toward our God, but it is also a burden in our hearts that we must share with you. I refer to some of the last activities of the month in our ministry, those I share with you with love and with admiration to our good God in the following paragraphs.

Young People

We had our first meeting in person after the lockdowns with the three groups that God allows us to minister with His Word. I am talking about the ministries with teenagers, college age, and young single adults. Without a doubt those ministries were enriching and encouraging for us. They also represent a challenge for 2022 because if God allows us, we have the desire to meet in person the whole year. The recent meeting was proof that God is leading in that way. We thank God because after two

years we could meet with these young people again, listening to their voices in person. Once again, we were able to Praise the Almighty one together.

Trip to Northern Peru

After almost two years (because of the pandemic), we received an invitation to go to the province of Piura to visit a town called Cuevas, where pastor Ernesto López invited us and six other churches for preaching and teaching together.

It was a wonderful time and a huge blessing. We praise God for men like Pastor López, and we ask you to pray that God will continue guiding and blessing him. The attendance was around two hundred believers with

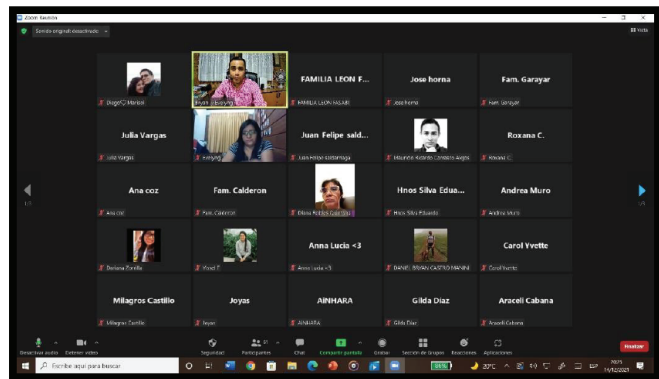

great excitement, and they extended the invitation to us to come again in July 2022.

Biblical Teaching

We are still teaching the Word of God by Zoom. We have a consistent attendance, and we have started teaching the book of Colossians. We see the need of laying a strong Biblical foundation to create convictions with God's truth.

Thursday's Studies

On Tuesday, December 23, we had our very first in person Prayer Meeting of 2021. We meditated on and highlighted each name given to Jesus in Isaiah 9:6, such as Wonderful Counselor, Mighty God, Everlasting Father, and Prince of Peace. We divided the names among some men in church, and we asked them to share a brief description of these names. I shared the name Prince of Peace. After each name, we gave opportunities for praising God, and in this way recognized our Savior in His first coming.

Young Ladies Meeting

This year, Evelyng and sisters such as Karina and Pamela have held monthly meetings for young single ladies, both teenagers and young adults. We invited other ladies to be part of the meeting; ladies with certain skills such as pastry making, experience in business, and in other areas

for sharing their knowledge with the group with the purpose of giving to the single ladies different tools for getting ready for future family life and for developing home virtues. Recently, a group of them shared a wonderful time together and were filled with gratitude because, in addition to learning the Word of God, they are learning skills for their future.

About Us

Our kids have finished school this year, so they are free for two months. We thank God, but we also thank you, for being part of this not only by praying, but also by your financial support. What a blessing it is to have you in our lives! Thanks again, dear brothers and sisters.

Evelyng, David, and Nathan travelled to Spain on December 31 to visit Evelyng's parents. We prayed for this, and God provided for their tickets. They will be in Spain until February 9. My parents-in-law live in a city called Segovia, and they have not met Nathan. The last time Evelyng saw them was seven years ago. God has given us the resources for this travel, which is a great blessing for Evelyng. Pray for me, because I desire to join them later in January if God allows it. One of the reasons for not traveling together is that I am at La Roca Christian Church helping along with the elders in the regular ministries.

We share all these details with you because you are like our family and you have shown to us confidence and love. You know we want to be faithful to the Lord until He returns.

We hope that God, our Good God, the Almighty One, blesses you in 2022 as you reflect on His redemption, incarnation, indescribable love by which He saved us, and the way His coming changes eternity.

Our wish for you is that Emmanuel continues blessing you and giving you His grace abundantly.

But when the set time had fully come, God sent his Son, born of a woman, born under the law, to redeem those under the law, that we might receive adoption to sonship.
