

WORLD REACH®

December 30, 2021

UPDATES

During the last months of this year, God has helped us to continue with the ministries that were started; the Sunday services began in person for adults and children, together with the virtual connection of brothers/sisters who follow us by zoom and the youth meeting.

God by his grace encourages us to continue preaching his word in an expository way and in these months we managed to culminate in the teachings of Paul's letter to Timothy (1 Timothy) being guided by our brother Nelson, who is a teacher of our congregation and supports in the teaching.

Also during these months we have been involved in the preparation of material for the first classes of the World Reach institute; this material will be used for each location as the preparation for more leaders begins in every Bible Institute location. I have specifically been involved in the material of the preliminary class of the inductive study method, since it is the subject in which I am preparing through precept ministries in order to teach others the need to study the scriptures. We have prepared this material together with our CEO Bobby Wilson, Simón Flores and brother Jorge from Peru.

Philippians 1:6

being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

We have finished the year serving the Lord in a gratifying way, with many trials and difficulties but grateful for His goodness and care, knowing that He has called us and for which He will also sustain us in His work and purposes for us.

PRAYERS

We always thank God for every brother and sister and churches that pray for our family, ministry and congregation.

Family:

- For the unity and service of our family to the Lord.
- For the spiritual, physical and emotional provision of our family.
- For the gratitude of the support of this half year.
- For the support of the following year to serve the Lord full time.
- For the new challenges that we will start next year as a family.

Ministry:

- For the completion of the legal documents of the congregation.
- For the place that the Lord has provided to meet us and the search for a larger place in the future.
- For the ability to learn English and its completion.

Blessings!
