Dear brother/collaborator,

I hope you have started this year well and that you and your family are enjoying good health. God is good and faithful. He will reward you, for you have supported His ministry, despite the actual circumstances (Hebrews 6:10; Romans 2: 10-11).

I went to Curacao during the school holidays to check on my mother and handle some important things. I thank God for the beautiful time with my family and that I could be with my sister again after some years. We had an awesome time of fellowship. We visited with family and friends and testified of Christ. Back in Peru I am in expectation of what God's going to do this year! The Lord's plan continues despite of the pandemic, for He is a sovereign God (Isaiah 46:10).

Cell group at Las Casitas

At the beginning of February, we started again with the cell group. We faced some inconvenience, but we trust that the Lord will work in favor of the instruction of His Word in the ministry at "Las Casitas".

Impression of the cell group at Las Casitas

Please pray that the Lord will clear the air and give us wisdom, so we can handle what needs to be handled with caution.

Counselling & discipleship

With great joy I listened to a testimony of a sister that I have been counselling, when I returned to Peru. Before travelling I lend her a book- written by Christian counsellors,- so she could learn more about her condition. She told me how God had used this book in a marvelous way in her life and in her family! Now she is dealing better with her issues and even her marriage got better. It's a pleasure to note how God inspires his children to write about topics that others are I need of, in order to better their lives. Glory to God!

Thanksgiving:

- ✚ The blessing of going to Curaçao;
- ✚ God's work during counselling;
- ✚ Opportunities to share the gospel;
- ✚ Mrs. Ana who believed in Christ;
- ✚ Baptism of 30 brothers in February;
- ✚ What I have learned until now in ministry;
- ✚ Nice surprises I got during this year!

Prayer petitions:

- ✚ Wisdom for the management of the school with regards to school starting in person;
- ✚ For Mrs. Ana's decision to have discipleship and attend the church;
- ✚ Opportunities to preach the gospel;
- ✚ Health, protection and wisdom from above to minister as the Holy Spirit guides;
- ✚ Wisdom to discover God's will for 2022 and to walk humbly in His revealed will.

At this occasion I would like to ask for prayer especially for Vicmar, a young adult that I guided to Christ and have disciplined. She decided to return to her country Venezuela on Monday February 28th.

During the welfare lunch for Vicmar

Together with Vicmar and her children

She Will travel for +/- 5 days with her two sons (6 & 8 years) by bus. I ask you to pray for God's protection, a safe trip and that Vicmar will remain in Christ and instruct her children in God's word.

La Roca Christian School (LRCS)

On March 14th the school will open again. We are planning to start in person for certain departments and partially in person for another department. The biosecurity measures are known. Let us pray that the Lord will give wisdom in order to manage the new normal adequately.

Iglesia La Roca

On February 20th and 27th we had a baptism service at La Roca church.

Brothers in a row waiting for their turn.

Baptism in the pool at the church.

Thirty brothers in total took the important decision to identify themselves with Christ's death and resurrection. Glory to God!

Concluding, I would like to encourage you with the verse "The Lord is my shepherd, I shall not want". The Lord will supply in all your needs (Salmo 23:1). Many blessings for the coming time!

Your servant in Christ,

Sharine Brigitha
