Dear Missions Partners,

We thank God for this year 2022 because we have undertaken new challenges and goals in the work of the Lord. We have also spent time with brothers and sisters and the WORLD REACH COLOMBIA team to share and

align the plans that we want the Lord to grant us to fulfill His sovereign will in our lives and callings for His glory.

God has also answered our prayers to find an appropriate place for the church to meet in person, which brings great joy to us because we have been able to do ministry together.

In March, I had the opportunity to take my first mission trip and I had the privilege of teaching a course. I thank God for being able to serve Him in places I never thought I would go to. I also had the opportunity to meet pastors with a desire in their hearts to be trained and equipped to do what is best and right for the Lord and His work.

There are many more photos and experiences that I could share, but I want to tell you about Pastor Vicente. Through him we made contacts so that, by the mercy of God, we could come to Córdoba and present the ministry of the World Reach Bible Institute in

various places. I could see how through the study of the Bible and training on how to study the Bible, Pastor Vicente could see the need for his church leaders and colleagues to begin the training that

1 Corinthians 15:57-58

But thanks be to God! He gives us the victory through our Lord Jesus Christ. Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.

WORLD REACH offers them. While studying the book of Titus, Pastor Vicente said, "In light of this study, many of our leaders are not equipped to do what this letter is teaching us."

It was an enriching experience for me to be able to teach and learn how God's work is advancing in other parts of my country. This occurred through the grace of God, the trust of WORLD REACH, and the brothers and sisters who, out of love of the Lord's work, contribute to my support. I am grateful for His incredible gift, of which I am not worthy, and that the Lord has used me to build up His people.

Thank you so much and God bless you,

Cristian & Sandra
