Teaching Discipleship & Spiritual Leadership course to 17 Kenyan pastors

Our pastoral students in Meru

Dear Family and Friends,

I really enjoyed teaching 17 Kenyan pastors in my course on Discipleship and Spiritual Leadership from March 18-27 at our Bible Institute (BI) in Meru, Kenya. God blessed the course tremendously and the students worked hard and learned a lot. They are taking the Pastoral Care course from May 9-13 and will take Evangelism June 6-10, and they'll graduate on June 11! They've done well and will complete 18 courses since starting their program in 2018.

In my position as Kenya Bible Institute Coordinator, I'm excited that we'll begin training our sixth group of Kenyan pastors and church leaders in Sept. By March, we'll be teaching courses in two locations: Meru and Muthethini. We have a medical clinic in Muthethini and are building a dormitory with a meeting hall for classes so that we can open a new Bible Institute there to train pastors. God is good!

Since teaching my course in Meru, I've been working hard on writing two new courses for our Bible Institutes in Latin America: Hermeneutics and Personal Spiritual Life. I'm on two teams working on these courses. We're excited that live BI classes are beginning again in Peru, Colombia and Honduras after the Covid pandemic which limited us to Zoom & online classes only.

I met with our Colombian missionary team by Zoom three times in April to coach them, and they are doing a great job promoting the Bible Institute ministry in Colombia. We hope to open two or more new Bible Institute sites in Colombia in the upcoming months.

Colleen and I will attend a conference for all our Latin American missionaries in Medellin, Colombia from July 26 - Aug. 2. We look forward to building relationships & planning ministry with our missionaries there. I will also be teaching back to back week-long courses in Peru in August.

Please pray for us for:

1. New Hermeneutics & Spiritual Life courses' development.
2. Our Latin American missionary conference in Medellin.
3. For the start of the new BIs in Kenya in Sept.
4. For my preparation of the two courses in Peru in August.
