# TIM & CAROL PREWITT

Today is Tuesday, April 19, 2022

Dear World Reach,

DATELINE - April 20 - May 1

LOCATION - Meru and Muthetheni, Kenya

PURPOSE - Evangelism, Preaching and Medical

Jeremiah 33:3 - One of many profound promises in God's Word dealing with the Power of Prayer! Please pray for a fruitful trip for Bobby Wilson, my eventual replacement, and myself! We fly tomorrow to minister in Kenya at our two mission stations, Meru and Muthethrni. Much growth has occurred in Kenya since Bobby's last trip. He will be amazed, I'm sure!

We will hold an Evangelistic campaign in Muthetheni on Sunday evening, preach in local churches, have numerous meeting with our medical and ministry staff and purchase medical equipment for our Clinic that will significantly enhance the medical services we can provide. (Note the agenda below...The Meru agenda is just as full!)

Similarly, we will minister alongside our Meru staff at our orphanage, in local schools, churches and throughout the community.

Below, our 2nd Quarter Prayer Guide for the mission, one of the resource books we provide the BI Graduates in Meru who will finish their studies and graduate on June 11th Tim signing diplomas for 53 Argentine BI Grads in Córdoba, Argentina!! TGBTG!!

Pray for favor with customs as we take these books through for the upcoming grads, no lost or delayed bags, much strength and stamina (After all, I'm 80, HA!), much wisdom as this medical equipment is purchased, our much needed water well for the clinic with the drilling to begin next week! 11 days of non stop ministry for the cause of Christ!

Our dependence is upon God and with HIS People interceding on our behalf! May the Lord be glorified in all we do and say as we watch Him Advance His Kingdom and Build His Church in Kenya!

Warmly in Christ and with much gratitude,

Tim and Carol

**40<sup>TH</sup>**  
ANNIVERSARY  
WORLD REACH  
SINCE 1981

**JOIN US IN CELEBRATING  
40 YEARS OF MINISTRY**

In 1981 World Reach was launched with much prayer and planning, and ministry on our first field in Honduras started a year later. Today by God's grace, we have missionaries in 12 countries.

Five core values guide the ministry of World Reach - Evangelism, Discipleship Training, Church Planting, Leadership Development and Physical Relief. Over the years, we have developed numerous projects that put these values into action. Mobile Bible Institutes to train pastors, multiple church plants, an orphanage and clinic in Kenya, a Christian school in Peru, and an international church in Ukraine are all examples of the work that the Lord is doing through World Reach.

We praise the Lord for the 40 years of ministry He has blessed us with, and we offer thanks to our partners who have faithfully supported this mission through prayer, giving, and serving alongside us.

To God be the glory!

**PRAYER GUIDE**  
APRIL - JUNE 2022

**WORLD REACH**

**APRIL**

**UKRAINE**

- Pray for missionaries Andrew & Luba Bulyhin, who remain in Sumy, with their daughter, Oksana. Lift up their extended family as well - married daughter & her family as well as Andrew's elderly parents.
- Pray that Christians will remain steadfast in their love & that no bitterness or hatred would take root in their hearts. Pray that the hearts of the lost (both Ukrainian & Russian) would be open to the Gospel.
- Andrew's church continues to meet every Sunday, and the church ministers by delivering food & aid to the needy. Please pray for safety & for opportunities to share the Gospel.
- Pray for peace that specifically allows freedom for Ukrainians to remain Ukrainian in their own land.
- Ask for the Lord to provide for physical, emotional and spiritual needs of refugees and those struggling to survive in Ukraine.
- Request that the evil one and spiritual forces of wickedness be defeated quickly.
- Pray for the Lord's Name to be known and glorified throughout Ukraine.

**PRAY FOR EUROPE**

**MAY**

**GERMANY**

- Missionary Botho Heinz has partnered with pastors in Prokov, Ukraine for many years to minister to teenagers. Pray for these pastors as they try their best to help their people.
- Botho helped start a church years ago in Melitopol, Ukraine, which until the war started had over 600 members. Please pray for the pastor, a former student of Botho's, as he tries his best to minister in the city which is under Russian control.
- Pray for newest German missionary, Dr. Karsten Schmidtke, as he makes plans to travel to the US this summer to meet with individuals & churches to raise support.

**ALBANIA**

- Please pray for the effective reception of the Word in individual Bible studies with the blind through Thomas and Rindy Fleming's partnership with Light for the Blind ministry in Albania.

**JUNE**

**ROMANIA**

- Pray for Francisco & Martita Berrios' church in Brasov called Hope Baptist. Hope's camp facilities are hosting Ukrainian refugees. Pray for the team overseeing the logistics of this operation & also pray for families hosting Ukrainian refugees in their homes.
- Pray that Romanian believers would be God's encouragement to the fearful & hopeless people around them.
- Pray for Francisco & Martita as they deliver the Gospel to discouraged people through both their church and counseling ministries.
- Pray for Hope Baptist & Francisco & Martita as they prepare to go in to major cities of Ukraine to provide humanitarian relief through sister churches in Ukraine as soon as the war ends. Please pray for funds needed to collect food & other relief items.

**COUNTRY IN SOUTHEAST EUROPE**

- Pray that the Lord will open doors to the Gospel in this country that is less than .01% Evangelical Christian and that our missionaries will have His discernment in sharing the Good News.
