THE MEJÍAS

Passion for educating leaders & pastors

Since 2006, Abner has been involved in the biblical and theological training of leaders and pastors.

His ministry has been marked by a deep commitment to Biblical and theological education, both formal and informal. Teaching is one of his passions and, more than that, is a spiritual gift that God by His grace has given Abner.

Abner has a unique opportunity to attend a global conference in November 2022.

International Council for Evangelical Theological Education (ICETE)

A special request: Will you prayerfully consider helping Abner attend this conference for formal and informal theological educators November 14-18, 2022 in the historic city of Izmir, Turkey?

Abner has a fervent desire to attend this important global meeting that enables international interaction and collaboration among participants for the enhancement of evangelical education worldwide. This conference provides a great opportunity to gather tools to enhance World Reach ministry and teaching strategies, to establish new strategic contacts for World Reach, and for Abner to experience personal and ministerial growth.

Abner plans to make this trip with his World Reach ministry partner, Dr. Alan Perdomo. Together they serve as teachers of the World Reach Mobile Bible Institute and both are members of the Board of Directors of the Central American Bible Seminary of Honduras.

The trip will cost roughly \$4,000 including: airfare, conference registration, hotel, food and miscellaneous expenses.

You may give on-line at world-reach.org/donate and choose "campaign", Mejia, Abner & Allison and include a donor note "for Abner's Turkey trip".
Or, you may write a check payable to World Reach and include your preference on the memo line: "for Abner's Turkey trip" and mail to:
World Reach
P.O. Box 26155
Birmingham, AL 35260-0155

[Note: If gifts exceed trip costs, the extra will go to Abner and Alisson's ministry with World Reach in Honduras.]

Thanks so much and may God richly bless you!
