

HUYHUA FAMILY

Beloved brothers and sisters, receive a kind greeting and a hug from us. We want to share with you what our good God has been doing in our lives through each ministry he has given us by His grace.

Evangelistic Campaigns: We have shared the Gospel in eight different places with the help of two church groups from the United States. One of the groups was from Providence church.

We also taught Bible classes for children and parents with different activities included. We had the opportunity of sharing the Gospel with about 180 people per activity. That great opportunity gave us joy and encourages us to continue working with the fruits of those activities. Here are some pictures that show a little bit of the campaign.

Youth Ministry: Regarding the three groups we oversee (the youth, teenagers, and young adults), the young adults and teenagers groups have grown. We are teaching them the Gospel and the fundamentals of the new life they enjoy in Christ. We have also started training them with the support group, and we ask God to help them grow and show eternal fruits in their lives.

Please help us pray for them to grow and to stay solid in the faith.

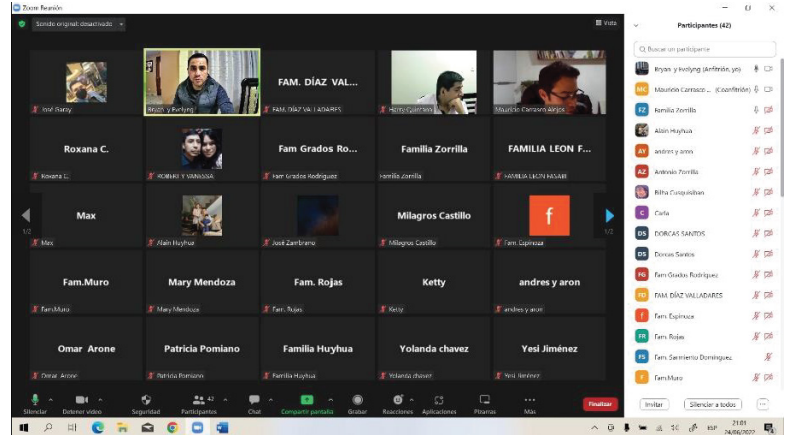

Training: We have meetings every other 15 days with a group of teenagers to consistently train them to be more solid in the ministry. The idea of this training is getting to know not only the fundamentals of the faith, but also learning where those fundamentals are found in the Scriptures. We are teaching them to fight

for their faith, in order that in the future, they may lead in the ministry in our church according to God's will. So far, they have shown a receptive heart to the training. Some of them had been helping us with evangelistic campaigns; others with leading the worship time; and others have helped us with the youth ministry. We give thanks to God for this fruit, and we sincerely consider them for the future leadership of our church (2 Timothy 2:2).

Small Groups at Home: The number of people attending has increased to almost 43 connections each Friday. We meet to pray and study the Bible with all of these families according to the needs of each one. We praise God for the perseverance and commitment that these brothers have to the Truth of God. We ask Him to grow these families in strength and divine wisdom in order to lead their homes in the fear of the Lord.

La Roca Christian School: Due to the new cases of coronavirus in our country, our school has returned to virtual teaching (at least for the last week of July since we expect to meet in person again in August). We continue teaching the Bible as an opportunity to introduce Christ and his Word among 4th and 5th grade students. We wish to not only reach them, but their parents through them as well.

Our Family: As a family, we thank God for you because you and your prayers are such a big support to us.

Indeed, we appreciate everything you do for us, and we want you to remember that your work in God is not in vain. Thank you for all the love and encouragement that you give us.

As a family, we have seen our kids grow, and we pray that the Spirit of God dwells in them so they can see their true and sincere need for Christ in their lives. Help us pray that our children will dedicate and surrender their lives to the Lord, which without a doubt is a priority as parents. That is why we teach them daily the law of God, and we desire that their salvation can be genuine in them as it is in us. Thank you very much beloved, for all the support and being the blessing that you are to us.

We hope to see you soon in person, if God allows
