

The Mejía Family

Ministering in Honduras

How is the family?

We thank God for his faithfulness in our lives. Alisson has remained stable, although discomforts from her thyroid condition have appeared at the least expected times. She spends a lot of time with the children and at home, but that doesn't stop her from serving the Lord through the ministries that God has given her. Ian Andrés is in fourth grade at ABEKA, and he enjoys school very much. This year, he has more exams and usually he gets the best grades in his class.

Ellie Sophia is 7 months old and is very active. She often wakes up several times at night, but she has brought us great joy. Abner has been suffering some ailments in his physical health. Several lab tests show some potential problems, but by the grace

of God, he is receiving medical treatment and is gradually changing his eating habits.

How is the ministry going?

Alisson has been seeing some patients at the clinic. A very sad recent case is that of Daniel. He is a boy who attends our church, and Abner noticed that one of his front teeth was fractured. We invited him to receive free treatment for it at our dental clinic. We met his mother who told us that she and her husband were thinking of moving to the United States without documents. Daniel was very sad. We realized that his tooth pain didn't compare with the painful fact that his parents might be leaving Honduras without him, leaving him and his two brothers in the care of an aunt. We encouraged Daniel's mother to keep up the struggle here in Honduras, and we invited her and the family to our church. We hope that we can have more contact with them.

Alisson taking care of Daniel

October 2022

We continue to work on the Library. We've been buying more books and putting up more shelves. We are planning a program during school vacation so that the children who finish school in November can come and keep working on their reading and can listen to Bible stories. We plan to continue this ministry of service and outreach to the community.

Library shelves

Abner continues to serve in various ministries in and outside the local church. He recently taught the class: "The Leader and His Life in Christ as a Model for Children" at the Central American Biblical Seminary. Many Sunday school teachers from local churches attended.

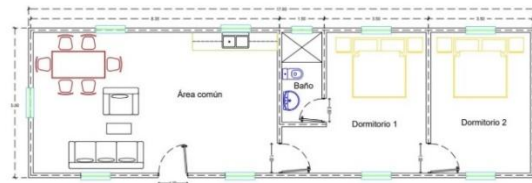

Abner teaching in the Biblical Seminary

Abner also teaches a small group in the community of El Porvenir attended by

8 to 10 people with whom he is studying the entire Biblical story, emphasizing the most important events and people.

Abner is also leading several remodeling projects on the buildings of the Christian Family Center Church. One of these small buildings will serve to house our worship leader along with his wife and daughter. He will be in charge of musical instruction in the church and will be responsible for coordinating a Music Academy that will serve the community also.

Plan of the new house in the CFC Church property

Abner also participated in a virtual meeting in preparation for the Theological Educators conference that will take place in November in the city of Izmir, Turkey. He is part of a group that is working on Theological education for younger generations. We believe that this will be a great opportunity to connect with many people who are serving God through formal and non-formal theological education for pastors and leaders.

How can you be a part of our team?

First, your prayers are greatly appreciated. Here are some prayer requests:

1. That God would continue to strengthen Alisson in her physical and emotional health so that she can deal with family and ministry challenges.
2. That God would continue giving Ian Andrés wisdom, not only to gain more knowledge, but also that God would use his school to mold and shape him personally.
3. That God would allow Ellie Sophia to continue growing healthy and strong.
4. That God would open more doors for Abner's trip to the city of Izmir. That this will be a true time of opportunity for World Reach Honduras' ministry of training leaders.

Second, you can also help us by giving to our ministry!

If you would like to partner with a one-time gift or recurring monthly gifts to provide the support we must raise for the mission of World Reach to serve in Honduras, here is more information on how to do so:

To donate online, go to world-reach.org/donate and give a one-time gift or set up monthly gifts via credit card. We also offer the option to give monthly via Electronic Funds Transfer from your checking account. This is our preferred method of giving since you will incur no

third party processing fees. The transfer can be set up by going to world-reach.org/donate and clicking on "EFT Giving" at the top of the page.

To give by check, make your check payable to World Reach with a note indicating your preference for supporting "Mejía's ministry". Mail it to:

World Reach
P.O. Box 26155
Birmingham, AL 35260-0155

Thank you so much and God bless you!

Abner and Alisson Mejía
