If you would like to partner with a one-time gift or recurring monthly gifts to provide the support we must raise for the mission of World Reach, here is more information on how to do so:

To donate online, go to world-reach.org/donate to give once or set up a monthly gift via credit card. We also offer the option to give monthly via an Electronic Funds Transfer from your bank account. This is our preferred method because you will incur no third party processing fee, and the transfer can be set up by going to world-reach.org/donate and clicking on "EFT Giving" at the top of the page.

Passing the Baton in Less Than a Month.

Joshua 1:9

9 Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go."

How did Joshua feel as he took over leadership from Moses? I think about that often since I am replacing our founding director in less than a month. Tim Prewitt has faithfully served for over 40 years. Now, it is my privilege to serve our missionaries in ten countries and lead us forward.

Please be praying for a smooth transition. As you know, changes in leadership often brings forth resistance and or conflict!

What is on the horizon?

Have you ever seen the cartoon with three frogs in the desert with shovels saying, "Let's put our pond here"? They had a big vision!

Well,

Can you see World Reach expanding into closed countries to reach unreached people with the Gospel?

Can you see us launch a new creative Bible Institute that is not based on the traditional lecture?

Can you envision training nationals as missionaries sent to other countries, especially in the 10/40 window?

I can see this happening if you will partner with us in prayer and giving. We are very thankful for all of you who have supported World Reach financially and have prayed - some of you since 1993!

We are constructing a new pastoral and missionary training center in Muthetheni, Kenya. Also under construction is an office and recording studio in Honduras that will help us train pastors and missionaries.

William Carey, the father of the modern missionary movement, said

he would go to India in 1792, if his supporters would hold the ropes; in other words, support him and pray for him. I am counting on your help too. Please hold tight to the rope.

For the Gospel,
Bobby and Lolly

The young girl on the lower left was a patient at our Muthentheni, Kenya Medical clinic. She was hit by a car. Our patients receive medical care, the gospel, and prayer. Over 1500 have heard the gospel this year.
