First of all, giving thanks to God the Father and the Lord Jesus Christ for this great Gospel in which we all stand and for such a good missions trip to Kenya this past June. As you know, this was the graduating class for all the 17 pastors that completed their 4 year course with World Reach Bible Institute. The last course before graduation is Evangelism. I always use the Evangelism Explosion technique in the training classes. It is a full week of teaching and training from morning to evening. This equips the pastors to train their own congregations on how to win the lost. At the close of the week, the class has the opportunity to go out into the communities and meet people for the purpose of sharing the Gospel of Jesus Christ. Some came back so excited that they had led some to Christ.

A great opportunity the pastors had on Thursday before the last training day was to go into the prisons. None of the pastors in this group had ever been in a prison in Kenya. While visiting the prisons, we were able to provide some needs such as: soap, toothpaste, shower shoes, and other personal items. I gave the same message to the prisoners I had used with the pastors on how to reach their people. The message was on the five things they needed to know about eternal life.

On graduation day, it was a great celebration. All the pastors wore caps/gowns and were so excited to invite their families to this long awaited event. It was held outside and the weather was great. My message was "Eternal Life," using the same tools as in Evangelism Explosion but in preaching form. (Smile) I have been asked to think about going to some Latin American countries in the future. To God Be The Glory!

Prayer Requests:

1. The pastors will be faithful in their witness.
2. The pastors will train their congregations in sharing their faith and to be bold witnesses.
3. Strength for the pastors as they lead their sheep.

Thank you for all the continued prayers and support of World Reach. We are truly blessed by your gift of generosity.
