Dear Family and Friends,

We've had a fruitful and exciting summer with much to report. From Aug. 13-28, I taught 2 week-long Bible Institute (BI) courses in Peru, both of which went very well. The 1st week, I taught a course on Pastoral Leadership to 10 pastors in our post-graduate program in Chulucanas. The 2nd week, I taught a course entitled "Called to Serve" to 23 pastoral students in Las Cuevas, a poor, rural town high in the mountains of northern Peru. They came from all over and it's quite a trek to get there. Their dedication is inspiring! God really blessed both classes—thank you for praying!

Thank you also for praying for our World Reach Latin American missionary conference which was held from July 26-Aug. 2 in Medellín, Colombia. 60 World Reach missionaries from all over Latin America and U.S. staff gathered to be encouraged and challenged from God's Word. We had great times of networking, training, planning, fellowship and prayer together. This is only the 2nd time that all our Latin American missionaries have been together in one place and it was an incredibly valuable time together.

During the conference, I officially took Bobby Wilson's place as the Director of all of World Reach's Latin American Bible Institutes. This includes all our BIs in Peru, Honduras, Colombia & Argentina. Bobby is now World Reach's

General Director in training. He will take over in Jan. 2023 when our founder Tim Prewitt retires at age 81. I will continue serving as Director of our Kenyan BIs as well. We just graduated our 5th group of pastors from our Meru campus on June 11, with 18 pastors graduating. In early Sept., we are teaching the 1st course to the 6th group of pastors being trained in Meru. We plan to open a new campus in Muthethini by Mar. 2023 where we have the Health Clinic. They are now seeing 400 patients per month.

**Please pray for us for:**

1. God's wisdom and guidance for me as Director of our Latin American and Kenyan Bible Institutes.
2. An exploratory trip in Oct. to Peru to investigate 2 new possible BI sites.
3. Healing for Colleen. While I was in Peru, she broke her right wrist and had surgery on it Aug. 29.
