Working for God in Honduras

SEPTEMBER 2022

Beloved brothers and sisters,

I hope you are all well. I am writing to you on this occasion to tell you that after all the hardships we've had during the pandemic, and the political and social problems here in Honduras, God has started to open new doors for evangelism. He has also provided new growth in the churches and new church plants.

All this is happening in the Honduran cities of Comayagua and La Paz. In La Paz, we have been going and teaching with the Mobile Bible Institute. This has allowed us to meet new church leaders. In the mountains of La Paz, there are at least 11 potential new sites where we can plant new churches. This will be with the Lenca people, the largest indigenous group of Honduras.

I ask for your prayers as we seek to form a team of local leaders and pastors to take on the wonderful work that God has placed on us.

In our following letters, I will talk more of the new challenges we are finding in these new locations in the mountains of Honduras.

In the meantime, I ask for your prayers for the following:

- God's protection when we travel to Comayagua and La Paz.
- For God to provide the necessary resources to take the Gospel to these places.
- For the new team of local leaders and pastors we are putting together.
- That the Lord will provide us with health and strength.
- That the Lord will grant us wisdom to approach these new locations and the people living there.
- For safety as we travel to the United States from 9/29 - 10/28.

In Christ's name,

Noel & Reina Gomez
