Lenel Arriaga

El Salvador, C.A.

The two months before the visit of the medical team from Greenwood, Indiana were very intense. First there were the Christmas holidays and end-of-year celebrations. The days passed so quickly! Personally, I am always excited to see how God arranges things and how He has control of all the details so that His will is accomplished.

So many communities asked me to have activities with them. There are also so many other communities that need medical help. I was able to confirm 4 new communities. God has been working through each meeting, with each pastor and leader, to bless others.

The week of January 21-28, when the medical team was here, went by so quickly. We needed time, following the week of the medical team visit, to digest all that had transpired during that week. For 8 days, Americans and Salvadorans lived together serving our Lord. Melissa, a team member, asked me what most impacted me during that week. There are so many things that God does with us and through us, that it is hard to pick one thing. At the end of the week, we saw over 1,000 people for medical and dental consultations. We also had so many spiritual conversations and counseling opportunities. We lived through so many things that impacted us. It was a glorious opportunity to help so many and to show the love of Jesus to each person. Glory to God for all that He did during that last week in January.

Many thanks to the brothers and sisters of Stones Crossing Church for coming to El Salvador. Thank you for bringing help to those who had needs. Thank you for showing the love of Jesus through your service. I am grateful. May God bless you. Here are a couple of testimonies from the pastors and leaders who received help during the week of the medical team visit:

Pastor Douglas Cañas (from Cerro La Plata):

I would like to express my sincere gratitude for such noble work done in Cerro La Plata. God bless all who were involved in this wonderful work.

Pastor Daniel Castaneda (from El Rodeo):

On behalf of the community, we are so thankful for the visit of the medical team that was with us. It was a blessing for the church as well as for the community we serve. Thank you and may God bless you.

Prayer Requests:

**Please pray for the people reached during the medical team visit. May these people have received more than just medical help - may they also know Jesus.*

**Pray for the churches as they do follow-up work.*

**Please pray for my health.*

**Please pray for the strength that I need to daily fulfill the mission God has given me.*

**Please pray that the Gospel will be spread in these areas, and that we may be a blessing to many more.*
