

# MCNEAL MINISTRY

In Birmingham, AL

“Grace to you and peace from  
God our Father and the Lord  
Jesus Christ!!!”

## Ministry Update:

We are happy to start this letter off with a praise. The prisons are now allowing us to enter in for preaching. My brother and I filled out our papers, took the required test, and passed. Now we must fill out the required papers for the warden. I am still looking for someone to be my driver, since I am not able to drive at night and on the two-lane roads.

I am not teaching any classes right now, and there are no mission trips planned for this year, but I am always on a mission everyday of my life for the work of the Lord's Kingdom. I am reaching out regularly at my job, in the barber shop, and in my hometown telling people I meet about the Good News of the Gospel.

We are so excited to be in our new church building, and we are preparing for some evangelism in the surrounding communities. Our prayer is to reach out to the people, and make Christ known in these communities. Considering that mission, we celebrated the dedication of our new church facility on June 11, 2023. What an exciting time of praise, worship, and thanksgiving for the Lord's faithfulness through this journey.

We are looking forward to seeing how God will use us for His Glory and Great Name.

## **PRAYER REQUESTS:**
