A WINTER TO REMEMBER AND TO FORGET AT THE SAME TIME!

Acts 2:46 "Day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart,"

Hope Baptist Church, Brasov

Couples group. Pizza included with training!!

Intentionally helping couples reflect on the biblical principles in which we are failing in our own relationships as couples.

26 new church members were presented after completing the basic course of membership. This photograph shows some of them. We thank God for the fruit of new converts. We have 3 Africans who study in Brasov and are the fruit of evangelism ministry on the university campus that our Church has.

Couples Retreat

In Romania, they have a beautiful winter custom of walking in the snowy fields. We took the opportunity to have a couple's camp and to have a particular teaching time about marriage. Pastor Claudio and Francisco taught. There are a number of new families who have come to church. Pray for this Ministry of Families, and pray for the training of leaders who can help minister to our families.

HOUSTON TEXAS... A NOT-SO-PLEASANT EXPERIENCE

On February 23rd, I was taken to the nearest hospital because of a sudden tachycardia of over 230 beats per minute of my heart. They admitted me to the emergency room and after administering two procedures to stabilize me, they performed an urgent operation to solve a problem that is called an OBLATION. They say it's a condition since birth that appears at some point in life. We thank God for deliverance after doctors told Martita: ***"We do not know if it will be survived, but we are doing everything possible to save him ..."*** The photograph is of Dr. Ketan Koranne, a cardiologist who specializes in cardiac physiology.

MISSIONARY CONFERENCE AT BRIARWOOD CHURCH IN ALABAMA AND VISITING OTHER CHURCHES IN THE UNITED STATES

After the accident in Houston, we were able to be present for a few days at the Missions Conference at Briarwood Church in the state of Alabama. We plan to go to two other states to visit churches, then return to Romania at the end of the month - but not before visiting the cardiologist again.
