

## NOEL & REINA GOMEZ

***Serving in Honduras • August 2023 Update***

### PLEASE PRAY FOR:

- Protection for us.
- The new converts and their spiritual growth.
- Our health, especially for Reina, as she has various health issues including: a brain lesion, severe migraines, cardiac arrhythmia, and bone problems.
- World Reach has approved of the purchase of a 4x4 vehicle at a projected cost of \$15-\$16,000, if we find one available. This purchase would significantly help our World Reach ministry as we travel into the muddy mountainous areas to do our missions work in remote villages. We are also praying that God provides the financial resources to finish constructing the church building in Quesuntega. The estimated cost of finishing it will be \$19,000. Will you partner with World Reach in helping to purchase a 4x4 vehicle or the supplies needed to finish the church building? If so, you can provide your check payable to World Reach. Please pray with us about these needs.

Hello again, my beloved partners in missionary work.

It is a privilege for us to have you support our World Reach ministry through your prayers and donations.

We want to begin by telling you that each week, more people are surrendering their lives to God. Very soon, we will have more baptisms!

In the villages of El Duraznal, Quesuntega, and La Laguna, we have started to hold Sunday school classes for children and teenagers. In some places, they have to use the shade of trees for their classes; in others, they use the small houses of church members. It's important to mention that in some villages, some children have to walk between 1 - 2 hours to get to their Sunday school classes.

Let's pray for God to provide proper classrooms so we can teach the children and teenagers.

I also want to inform you that the construction of the building where the church in Quesuntega will gather has progressed – the foundations have been laid! That is as far as we have been able to get. Please pray that God will provide the remaining funds to finish this building.

Regarding the horse we needed, God provided this tool for ministry work. We thank God that we are already using the horse to visit and evangelize to new communities.

Let's continue to pray for the construction and completion of the kitchen and apartments at the Christian Family Center, to serve IBM students and leaders who will come for training at our training center.

There are two pastors collaborating with us in the missionary work of church planting and church revitalization. They are Oscar Yovany Velasquez (from Comayagua) and Jesús Corea (from the Lenca region). They are two men dedicated to God, and are important individuals whom God has provided for this special work for the advancement of His Kingdom. I ask that you pray for them, as they and their families are facing many challenges.

Thank you for your prayers.  
In Christ,
