Dear brother/collaborator,

The peace of God be with you and your family. The months of May and June were full of activities and passed by fast. I thank God for His grace that strengthens me to minister to those that He's entrusted me with, both big and small. He is the One who gives me strength and power. Blessed be my God (Psalm 68:35)!

Celebration of Mother's Day in Casitas

We celebrated Mother's Day with the mothers of the children of our cell group at the neighborhood of Casitas. A lot of moms came out with their kids. The kids had prepared some special presentations for their moms and had also made some gifts to offer to their moms.

We handed out many presents and prizes and we shared the gospel with the moms, which was our main goal. I thank God for this opportunity and solicit your prayers for more male leaders, so that we can expand our ministry with meetings for adolescents and adults.

Evangelistic campaign

In the month of June 18th to 23rd a group of a church of the United States, called Providence visited us. They ministered at school sharing the word of God and devotionals, English and physical education classes.

Thanksgiving:

- ✚ The campaigns that we had at La Roca and in other areas.
- ✚ God's work in lives of the parents of the students;
- ✚ God's enablement to work with children from 3 to 5 years in Sunday school;
- ✚ God's care and protection;

Prayer petitions:

- ✚ New leaders for our cell group who can teach the word of God to adults;
- ✚ Perseverance and faithfulness for each one of us who serve in the ministry of Casitas;
- ✚ Health, rest and strength;
- ✚ God's intervention regarding my migratory situation;
- ✚ Health and protection of my mother;
- ✚ Wisdom to plan for ministry and other activities;

We also visited some neighborhoods with them to proclaim the gospel.

It was an incredible week. I have been blessed especially by the devotionals that one of the brothers of this group shared in a classroom where I was assisting with translation.

The musical about the life of Jonah on the last day of this group's visit was a great blessing as well.

Glory to God for the gifts and talents that He's given to his children! 😊

Workshop for parents

We have a department of counselling and psycho-pedagogy at school, which is responsible for organizing workshops for parents of the students. One colleague who is a psychologist and I work in this department.

On May 2nd we organized a workshop on the relationship of parents and their children: "He will turn the heart of the fathers to the children, (Malachi 4:6 and Ephesians 6:4). The attendance was reasonable, and we thank God for the speakers of La Roca.

Final word

Thanks for your support and prayers for the ministry of God. Please continue praying for us that the Lord may help us understand more of His plan and direction for the future (Ephesians 2:10).

Your servant in Christ,
