WORLD REACH®

The Huyhua family in Lima, Peru

My beloved brothers & sisters, it is with gratitude that we write this letter, emphasizing God's grace and favor towards us.

We have been serving our God by training young people with the objective and goal that they will be in the future, if God wills, leaders who can take responsibility for the ministry that God gives them. In our church we are going through a noteworthy time of transition of generations, and we desire a new generation fearful of God and zealous for His truth. This is why we are being intentional with this work with those who will come after us (2 Timothy 2:2).

New Families: This year especially, our church has grown in numbers and also in new families. Therefore, every Friday we have been laying the foundation of faith in them, studying the book of the Acts of the Apostles. Our goal is to give them a firm foundation in what we believe and affirm. We thank God for giving us the opportunity with them. Each Friday we see in these family gatherings not only their faithfulness, but the interest and hunger for the Word of God in

these families. Pray that they will continue to have the desire to continue to grow (2 Peter 2:2), and thus be steadfast in the faith.

Sunday Teaching: As a church, we continue to teach through the expository

preaching of the Word of God about the second coming of Christ, and about salvation. Our church is going through a distinctive time, several are sick with cancer, so we have been visiting them with the elders and praying for them. In one body, we are committed to praying for them - asking that God will sustain them and strengthen them in this time of trial. We rejoice with our congregation as they are facing the disease with joy and loyalty to Christ; their presence in ministries and service are consistent despite their physical weakness. We give glory to God for these brethren, since we see the power of God in their weaknesses. This encourages us even more to continue to share the message of comfort with greater insistence, and to continue to strengthen them in the Word of God.

Pray, brothers and sisters, that as a church we may grow in comforting them and support them in prayer and encouragement.

Last month, we had a missions trip. God gave us the opportunity to take a group of 18 youth to the north of our country, to a place called Las Cuevas. God has allowed us to help for almost 12 years in this place alongside Pastor Ernesto Lopez and his church in different areas. We had a special youth conference with good attendance. The goal was to work with the leadership of brothers from different churches in that area, to strengthen them in the work they do, and also to encourage

the young people who accompanied us in the missionary work.

We pray that this trip was not only a challenge, but also that God will use it to awaken in them an interest and commitment to missions. The trip lasted a week, and we spent an enriching time studying God's Word and God's call to a new generation.

As for us, brothers & sisters, we are being challenged to grow more as a family. Our prayer is that we will be an example and challenge to the people God allows us to minister to (Titus 2:7). Also that God would give us His wisdom to be good children and parents, since our children are growing physically and we see the need to be an example to them. We pray especially that in the grace of God, they know the Lord as their Savior and Lord as well, and may they show the fruit of their salvation. Meanwhile, we continue not only praying for the salvation of David and Nathan, but also continue to sow the Word of God in their hearts.

Evelyn is still in observation for the health problem she has. It is chronic, but controlled, and she continues to disciple women and youth. She also helps in the teaching of the ladies group in our church and in

the prenatal center with counseling.

In addition, brothers and sisters, we share our desire to be able to visit you, if God allows, and share with you personally what God has been doing all these years in and with us. We would also like for you to be able to meet our children in person. This is our desire, and we share it with you so you can join in praying with us before our good God.

As before, we thank you again for your prayers, offerings, and interest. We continue to be debtors to God in you, my beloved brothers & sisters.

A strong embrace to each of you. May God give you His grace and guidance.

Bryan, Evelyng, David, and Nathan Huyhua

2 Thessalonians 3:1

Finally, brothers, pray for us, that the word of the Lord may speed ahead and be honored.
