

WORLD REACH®

Taking Christ to the Nations

Andres & Monica Acosta - November 2023

Dear brothers & sisters in Christ,

Greetings, and we thank you for the time you have taken to pray for our ministry. Thank you for participating financially with our ministry by giving to World Reach, and for being a part of our life and ministry.

As a family, we are doing well. We enjoy the day to day with our granddaughters. We watch them grow, and above all, we are conscious of what life is like today. Praise God our children are doing well. Our daughter, Yami, is recovering well from the surgery she had on her cervical cord.

We are impacted by what God is doing in our ministry. We have seen Him working in discipleship, counseling, and the two trips I have had to the jungles of Venezuela and Colombia.

It has been a joy being with our spiritual children and students from the

Youth giving their lives to Jesus

Graduates of the Sophie Muller Bible Institute

Graduates, now pastors of Iglesia Biblica Unida

Bible Institute. These are people we invested in from 1986 to 2004. So many of them have families now with grown children. They are serving God as pastors, missionaries, Bible teachers, and ministry leaders in their churches.

This is very exciting for me.

WORLD REACH®

Taking Christ to the Nations

They surpassed any expectations we had of them, it was so much greater than what I had hoped for. Only God could do this - all glory be to God.

I was invited by the leaders of the Iglesias Biblicas Unidas, which is in the jungle of Colombia. There, we had a conference of more than 1,000 in attendance. They were from many tribes: Curipacos, Puinaves, Cubeos, Piapocos, and Piaroas. It was a privilege to share with them the Word of God and to present the Gospel to them. Twenty-three youth gave their lives to Jesus. I was also able to have a good time of counseling with the pastors and leaders. Together with World Reach missionaries we were able to organize the Mobile Bible Institute with leaders from the tribes. God willing, we will begin class in February 2024. This will be a big part in filling the need the former students have concerning the generations behind them. Please pray as we pass the torch; may the light grow and illuminate brighter. They are currently struggling with drugs, guerrilla warfare, religious sects, politics, misuse of the internet, etc.

Upon returning to Argentina, my wife and I have continued with discipleship and counseling. Also, I was able to teach in a conference in Cordoba.

Please join us in praying for a conference for women. My wife will be sharing the testimony of Sophie Muller, and she will teach the Word of God.

Your servants in Christ,
Andres and Monica Acosta
