WORLD REACH®  
Taking Christ to the Nations

December 2023

Quarterly Update

## Big Changes Are Coming to Kenya!

Season's Greetings! We have some exciting updates on changes being made to World Reach's Kenya Ministries! Previous Kenya Field Director, David Magiri has chosen to retire and let faithful members of the ministry take the wheel. The Orphanage will now be called "Kenya Children's Home"! This new name will better capture the home these children now have with the ministry and with Christ.

Children's Home will strive to connect with and love the kids it shelters, much like how Christ loves us. Several members of Children's Home will graduate this season. Here are a couple of testimonies of children whose lives have been changed through God's grace and your support:

Young Brenda

Brenda Today

## Brenda's Testimony

"I take this opportunity to thank you for your support. You have been a great blessing to my life since I came to this orphanage. I remember I joined this orphanage at the age of 6 years. At this age I was living with my grandmother and therefore, I know what it means to go without food. Now my life is good, enjoying good health and education. I have completed my primary school education and now I will be joining high school next year. I hope my dream of becoming a surgeon will become a reality through the help of God and your generosity. Merry Christmas and a Happy New Year. In Christ, Brenda"

## Kelvin's Testimony

"Let me take this opportunity to thank you, the staff of world reach, donors, partners, and all the sponsors for supporting me. And thanking the Almighty God for how far He has brought us all. Thank you for the opportunity that you give me. Since I have come to this ministry, you have been so wonderful to me for the support that you have given me with everything that I need. Thank you for everything. You have provided shelter and food. You gave me the best possible opportunity to start my life in the Children's Home. I came here when I was a baby, you supported me to go through the school, and taught me more on how to know Christ. My prayer is for God to help you to be able to take me to college. I intend to join college next year to study catering and management. Thank for helping me through some tough times since you have always prioritized my needs and shared both tears and laughter.

Yours Faithfully,

~ Kelvin Muriuki"

Young Kelvin

Kelvin Today

Patrick Mutwiri

Isaac Kaimenyi

## Leading with Love

Meet Isaac Kaimenyi, our new Kenya Field Director. And meet Patrick Mutwiri, the new director of Children's Home. Patrick has taken charge to care for and love these kids as if they were his own.

Children will soon be taken on retreats

and field trips starting in January in order to help the kids bond with one another. Patrick has taken time to bond individually with each child. He is also formulating a plan to help these children achieve a higher form of education beyond high school through possible online classes. During this season of giving, the best gift the kids could receive is love. All of World Reach is beyond grateful for your support and prayers that help change the lives of these children. Merry Christmas,

*Joseph Falgout*
