

WORLD REACH®

Taking Christ to the Nations

March 2024

The year began with much intensity as I prepared for the arrival of the medical team from Indiana. After we celebrated bringing in the New Year, it was time to finalize the details of the team. It was surprising to see how God brought each detail together and met with all the people involved in the activity (the team members, the pastors and leaders in the communities, the members at Family of Faith, etc.). I am rejoicing to see how God worked in the lives of each of us during the week of the medical team's visit. I have heard of all the meetings the team members have in the US before they even arrive, and how hard

they prepare to serve the communities here in El Salvador. This is so encouraging to me.

It was a hard week with much work. We saw the hand of God in every detail. We saw almost 1,000 patients, and they received medical attention and much needed medicine and vitamins. We also had a dentist serving and also a children's ministry. We were able to bless five communities. The medical team worked well with the members of Family of Faith as we shared the Gospel and helped with medical help. It was a success! Glory to God!

Thank you, friends from CCC, for coming to El Salvador and for continuing to share the love of Jesus.

Mid February I had the opportunity to travel to Chile. We enjoyed our time there. I traveled with the Gutierrez Family, who are World Reach missionaries serving in Peru. This trip was a blessing for me. The first part of the trip was spent exploring Chile, enjoying time together, and enjoying the beauty of the country. The second half of the trip was spent serving in a youth camp in the city of Pillanilenbul. It was a special time to be introduced to Chilean culture and to work side by side with those at the camp. I was able to share about my work with World Reach in El Salvador. I also gave my testimony, speaking of the love of Jesus to the youth and families in attendance. I thank God for this opportunity to have traveled to the south of Chile and to preach the Gospel. It was a wonderful shared time with my Chilean brothers and sisters in Christ.

Please pray for:

- *Pray for the fruit seen from the efforts of the medical team in each of the five communities.
- *Pray for God's hand on the ministry here in El Salvador.
- *Pray for my health.

Thank you for your love and care for my life and ministry in El Salvador.
