Dear brother/ collaborator,

Warm Greetings in the name of our Lord Jesus Christ, who gives us years of life and abundant grace to do His work. In this letter I will share about the celebration of the 'unborn child' and the 20th anniversary of the school, among other things.

Celebration of the 'unborn child'

This year we celebrated the day of the 'unborn child. The date on which this is celebrated worldwide is March the 25th. On March the 24th 'La Roca' dedicated time to the value and importance of the life of every human being God created. In this context we are reminded that abortion and euthanasia are deeds that God hates (Exodus 20:13)

Presentation for Primary school

On April 5th we celebrated the 20th anniversary of 'La Roca Christian School'. We had presentations in which the history of the school was reviewed. The key person in this was our sister Ruth Barriento who went to Peru in the first place to home school her niece Priscilla.

After that, this plan was enlarged by the petitions of other mothers to include their kids as well. Finally, the Lord provided a classroom each year. And today we count 6 groups of graduates of Secondary school (2018 to 2023). God is faithful and continues to work forming followers of Christ for His eternal kingdom (1Corinthians 3:7). All honor and glory to our Lord Jesus Christ.

A view of the general session

On April 12th we organized our first workshop for the parents of the school. The theme was: "How to be a parent of influence." The number of parents that participated was about 180 thanks to the Lord, for the purpose of these workshops is to give the parents tools for a biblical upbringing.

Visitor at 'New dawning' church

I am thankful to God for the opportunity to share the word of God with the ladies at the church of Manchay on April 24th. The topic was: "The real family of God". It is always a pleasure to share with other sisters in Christ and to learn from them, especially of how God is working in their lives
