

ANDRES & MONICA ACOSTA

NOVEMBER 2024

DEAR BROTHERS AND SISTERS IN CHRIST,

Greetings! Gratitude and blessings to each of you, including our family and Church. We are taking time to share with you about our family and about what God is doing, no matter what trials we have had to overcome. God is always faithful and gives us strength, peace, and provision.

As far as my post-surgery health is, I have had two visits with the neurosurgeon. The checkup was incredible, seeing what God has done through this process of my brain surgery. There were complications, but God had His hands on me, and everything went well. I then met with the neurosurgeon again with some additional questions. I wondered about the consequences of the surgery, and I felt peace as he explained to me that there was no risk and that everything would be fine. Now I am in the recovery process, and thanks to God, I am doing better.

As far as ministry goes, I continue with counseling, personal evangelism, and teaching. My wife continues counseling, teaching among the women's groups in various churches, and she leads a Bible study where many non-believers attend. There are 18 women who attend this study and this past month two of them gave their lives to Jesus.

WE WOULD LIKE TO SHARE SOME PRAYER REQUESTS WITH YOU:

- November 8-10 we will have a family camp. My wife and I will be leading the teaching time.
- November and December my wife will be participating in various activities in various churches.
- Pray for my health and for the health of my wife.
- Pray for wisdom and strength for the activities in our ministry and the challenges that occur.

We thank you for your time in reading this report and thank you for partnering with us in prayer.
