Taking Christ to the Nations

*Our class of 35 students at the Muthetheni, Kenya BI*

Dear Family & Friends,

We had two wonderful trips recently, teaching Bible Institute (BI) courses in Cuevas, Peru and in Muthetheni, Kenya. God blessed both trips in great ways.

From Sept. 21-28, I went to Peru to teach a course on Missions & Evangelism to pastors and leaders at our Cuevas BI in the mountains of northern Peru. I taught 20 committed students, who worked hard and learned a lot. They travelled long distances on foot or motorbike to get to Cuevas. During the class, we went over many ways to share the Gospel, including Evangelism Explosion, Four Spiritual Laws, the Bridge illustration, and other methods contextualized to their culture.

The last day of class, we went out in teams into the local community to use these different forms of evangelism. Three teams went to local schools. Between all of us, we shared the Gospel with 125 people and 6 people prayed to receive Christ! On my team, Juan shared the Gospel with Isael, an 80 year old man, and the Lord helped him see his need for the Savior and he prayed with us to receive Christ. God is good!

From Oct. 8-18, Colleen and I went to Muthetheni, Kenya. I taught a course on Missions, Evangelism & Church Planting to 35 students at our Bible Institute there. The course went great: the students were very engaged, asked great questions and worked hard on their class assignments. I also had the opportunity to preach at a local church on Sunday, Oct. 13.

*Teaching Missions & Evangelism in Cuevas, Peru*

Colleen worked all week as a volunteer nurse at our World Reach Medical Clinic in Muthetheni. She saw patients, made friends with our Kenyan staff, went on home visits to patients, and shared the love of Jesus with lots of Kenyans. It was a great week.

**Please pray for:**

1. Our trip to Guatemala in Nov. to teach a church planting course at a potential new BI site.
2. Our BIs operating in Colombia, Peru, Kenya and Uganda and for Brad as BI Director.
3. The scheduling of teachers & courses at all our BIs in 2025.
4. For God to supply more financial support for our ministry, as we only have 60% of the monthly support World Reach requires.

Thank you so much & God bless you!
