

Happy new year

LEO ARRIAGA • JANUARY 2025

Time has passed too quickly!! I returned from the jungle of Peru where I taught on evangelism and missions, and immediately began with various events here in El Salvador. My focus for October and November was a course offered at church on Basic Truths. This course is for new members and also for people who have never been discipled. We also had an event where we celebrated Family Day and we started up a new group for students. We currently have 8 youth attending. My prayer is that this group will grow in the knowledge of Christ each day. We have had various activities with this group of students and it has been great fun!

December was a full month. I've been planning various activities we will have in the beginning of this year. The medical team from Greenwood, IN arrives this month; evangelism teams will arrive in February and March from Columbus, IN. Our New Year is already filling up! Pray God will strengthen and guide us. I'm excited to continue to preach the Gospel. Glory to God for the opportunity to bring glory to His Name.

I am profoundly grateful to God for His care and generosity. I am also thankful for you, as you have always walked with me as I minister in El Salvador, as well as when I travel abroad. There is no doubt that God joins us together through prayer to further His Kingdom and to fulfill His commandment in Matthew 28:19-20.

Thank you, brothers and sisters, for your love and support, for praying for me and praying for all that God does in this little country and in the countries I travel to.

May you and your families have a year full of blessings. 3 John 1:2
