

WORLD REACH®

– KENYA MEDICAL CLINIC –

A NEW YEAR, A RENEWED COMMITMENT TO BETTER HEALTH
January 2025

DEAR FRIENDS, SUPPORTERS, AND PARTNERS:

Greetings from all of us at the World Reach Clinic! As we usher in the New Year, we reflect on the milestones we achieved together and look forward to the possibilities ahead. We are grateful for your unwavering support which has been instrumental in making a difference in the lives of those we serve.

Impact Story: A Life Transformed

Last year, Mary, a mother of three, came to our clinic struggling with persistent fatigue and blurred vision. After an initial assessment, we diagnosed her with uncontrolled diabetes. With immediate intervention, health education, and follow-up care, Mary now confidently manages her condition. She recently shared, *"This clinic saved my life and my family's future. Thank you for being there."* Stories like Mary's remind us why we do what we do – bringing health and hope to the underserved.

Our Goals for 2025

As we look ahead, our focus is clear:

- Achieving financial sustainability.
- Expanding clinic services and generating steady income streams.
- Organizing community outreach programs & medical camps and providing health education on chronic illnesses like hypertension & diabetes (which are alarmingly rampant in our local community).
- Upgrading infrastructure – equipping our clinic with essential furniture & machines including hospital beds, an autoclave machine, and establishing an administration office for improved operations.

How You Can Help

Prayers: We humbly request prayers for wisdom, resources, and strength to achieve our 2025 goals.

Support: Any contribution towards our clinic upgrades or outreach programs will go a long way in enhancing our impact.

Looking Ahead Together

With faith and determination, we are committed to serving our community with excellence in 2025. Your generosity fuels our mission, and together, we will touch more lives, one patient at a time, for the glory of the Lord.

With gratitude,

Ken Mviti, Centre Manager
