

# ANDERSON NARANJO

 Serving God in Colombia 

**The Enemy wants to destroy, but God's power redeems and restores**

“The thief comes only to **steal** and **kill** and **destroy**; I have come that they may have life, and have it to the full.” John 10:10

**Youth retreat - Villavicencio**

Almost 110 young people, most of them non-believers and from very difficult circumstances. Broken homes, suicides, assaults, and so on. Some of them spend their daily lives stealing on the streets and selling drugs. This is perhaps one of the most challenging camps I have ever served in. We thank God for the opportunity to boldly share the Gospel.

One of them, two weeks after the camp, was shot while stealing. These days, he is in the ICU. We have been praying that all of this will help him understand the Gospel that we taught him.

## Youth retreat - Armenia

This camp was calmer. Most of them were young believers. It was a time to encourage them and challenge them in their sexual purity. We were able to address topics such as pornography, masturbation, dating, and holiness.

## Mobile Bible Institute - Puerto Inirida

For a week, we were teaching our indigenous brothers and sisters. We spent 8 hours a day sharing with them. There were several challenges while teaching, such as language differences and the high temperature and humidity. However, the Holy Spirit doesn't need perfect conditions to be glorified.

Two wonderful years of marriage!

I would say yes again as many times as it takes, to marry her again. Two years of understanding the image of Christ and the Church in marriage.

## THANKS FOR YOUR SUPPORT

- Thank you for sowing through World Reach here in Colombia.
- Thanks for your generosity.
- Thanks for holding up my arms through your prayers.
- Thanks for joining God here in Colombia.

## PRAYER REQUESTS

- We are in urgent need of a place for the church where we can have space for our children and teenagers and be suitable for some new individuals who are in wheelchairs. Additionally, the number of people has increased, and the space we currently have is not sufficient.
- It has been two months of teaching and serving in other cities. I'm happy about it, but I feel the need to renew my strength. To fill my heart with new words to continue serving others. So, let's pray for strength and rest in Him.
