

World Reach Ministry Bobby and Lolly Wilson December 23, 2024

Psalm 46:1

1 God is our refuge and strength, a very present help in trouble.

Please pray for our missionary team to grow spiritually. Missionaries are people, and so often, my role is to help a team member navigate a crisis or conflict. My desire is to see our team transformed and renewed as we shepherd and serve them. We are planning a gathering of our Latin American Team in July 2025. It will require a financial investment, but it will be valuable to each missionary family. I will share more details and the cost estimate soon. Our goal for the gathering is for missionaries to grow in God's joy and understand our identity in the image of Christ amidst the demands of life and ministry.

our computers are up and running to process year-end communications and donations. God supplied for our needs and the move! Drop by for a visit to our new Birmingham location at **2871 Acton Road, suite 201, Vestavia, Alabama, 35243**. Please note the new address. Now we can use this address and no longer need the P.O. Box!

There has been progress in constructing the Lenca Church plant in Quesuntega, Honduras. In November, I gathered with part of the congregation during a tropical depression storm. Next, we will add the entrance doors, electrical, and bathroom facilities. Property has been donated for the second and third church plant to serve the communities in the mountains of Guajiquiro, Honduras. Training for a team of pastors to serve the Indigenous Lenca group is ongoing. Evangelism is bearing fruit through their consistent efforts. I am amazed at the people's response to the gospel.

Meet our newest missionary with World Reach!

We are in a new country called [Eswatini](#) in the southern region of Africa. Ngwane & Ncamile Dilamini were recommended to World Reach as evangelists and disciplers of school children and teachers. They have a proven ministry with over ten years of experience.

Ngwane's focus in ministry includes the following:

- Transform communities in Eswatini, Africa, by connecting lost people to Jesus, engaging in life-changing discipleship, engaging in meaningful multiplication of leaders, and equipping pastors and leaders for ministry.
- Coordinate and lead outreach programs to students and teachers that provides behavior changing curriculum using Jesus as a role model of character, which enhances students' academic performance while ministering to their lives holistically.
- Continue to raise up trainers for the school outreach programs and provide ongoing trainer development.

Please pray God will supply their needs as they transition to World Reach. They have some supporters but are praying God will increase their partners as they are faith-based missionaries who raise their own support.

The office move delayed my return to Africa, but I hope to visit Kenya and Eswatini in 2025.

Please pray for our family. Daniel and Victoria added a granddaughter to our family in September, and Ruthie and Cody are due with their first son any day. Lolly is recovering from eye surgery. Please pray for complete healing of her eye.

I am thankful for each of you supporting my work as I completed my second year as CEO. Over 347 people have come to Christ through your financial support and prayers through the team this past year. To God be the glory!

Thank you for your prayers and support. You bless and encourage Lolly, me, and our entire team at World Reach.

To give by check made payable to World Reach, mail to the address below with a note indicating your preference for supporting the ministry of Bobby and Lolly Wilson
