Revitalization Ministry

November

This was their 23rd anniversary as a church, and even though *Rey de Paz* church was full of people there were no lights. The storm started a few moments before we could sing the very first words of the worship songs. But that didn't stop the people. They raised their voice to praise the Lord and sing at the top of their lungs. The question is: Where do you get your motivation to praise the Lord for what He is and what He does? I think there could be several ways to answer the question. But in this case, I think the answer comes from a revived heart. We spent 3 days talking about revival in the Scriptures. From Ezra to Nehemiah to Daniel and the New Testament in Acts 2. The church considered repentance and going back to their first love.

That motivated them to forgive, to let go, and to rethink new ministries. They even asked us to help train their leaders. These are such wonderful opportunities to serve the Bride of Christ. Praise the Lord for the good time with this church. But I am aware this is just the beginning. May the Lord use this time to continue revitalization ministry in Colombia and the world.

Children & Youth Ministry

December

We ask you to pray for our children and youth ministry. We continue ministering to them weekly. However, during 2024, we have lost some of them. Their families have moved to other neighborhoods or cities looking for opportunities or a better life. Others have lost interest in hearing God's Word and stopped attending Bible School. But there is hope. We have witnessed the work of the Holy Spirit in some of them. Earlier this year we taught them about the necessity of regeneration, of having your stony heart changed into a heart of flesh, Jesus' heart. I wish some of you could have been there with us. There was such a sense of awesomeness and solemnity. Some kids manifested their desire and willingness for God to change their hearts. For God to give them a new life, new desires, and new righteousness. Please pray God confirms the work He has started to carry out in some of these kids. Thanks for your participation in the ministry (Philippians 1:6-7)

Merry Christmas & Happy New Year
