Taking Christ to the Nations
Hannah Huyhua January 2025 Update

Hi friends,

Here is a recap of some of our major events from 2024

As I mentioned in the video we would appreciate your prayers for English teachers. We are in need of a secondary English teacher for the 2025 school year which begins in March. And please pray for wisdom for the school leadership in the many decisions being made as we prepare for this school year. January and February means summer break for us which also means youth camps and outreach. Pray for much fruit and life change, stamina for those who are serving, protection for all involved.

Also, I am including a video that Joseph Falgout the World Reach Communications Director recorded when he visited Peru toward the end of the year. ****Check out the video.**

Prayer Requests:

- Secondary English Teacher
- Wisdom for school leadership
- Camps and Outreach (Jan./Feb.)

We are oh so grateful for your partnership with us! Blessed to know you are there and praying,

Hannah (& the Huyhua Fam)

2024 Happenings

Huyhua Family

Jhonatan, Hannah, Micah, Joella, Ethan, & Noah

Ladies Retreat & Summer Camps
I was stretched to co-lead a table at the Ladies Retreat and the kids enjoyed camp along with a neighbor boy that we invited

Mother's Day
The school-wide Mother's Day program is an opportunity to show appreciation and share the Gospel with the moms and grandmas..

Challenge Week
A week of athletic and academic competitions. I led the Spelling Bee for English.

New English Teachers
After four English teachers left the end of 2023. The Lord provided 3 for 2024. We continue to pray for an English teacher for the secondary level

Independence Day Celebrations
Both with our Sunday School kids and at school we thank the Lord for the freedom we have to openly speak of Jesus in Peru, but we also remember that only with Jesus can we have true freedom.

25th Anniversary Celebration
La Roca Church celebrated 25 years! My dad came as the guest speaker for the weekend events and the kids and I participated in musical presentations.

JAN FEB MAR APR MAY JUN JUL AUG SEP OCT NOV DEC

20th Anniversary and Reunion
We celebrated the school's 20th year and had our first reunion with the Alumni from our first 6 graduating classes

3rd Floor Inauguration
The 3rd Floor was completed and the teachers' work room was inaugurated. The library is not set-up enough to be usable nor is the science lab furnished, yet we are hopeful for 2025.

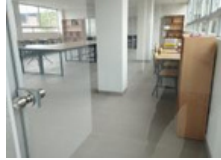

Graduations and Christmas Programs
We had our 7th graduating class of seniors. Micah was a part of the 6th grade graduating class and Ethan from K5, with big graduations at every level. We wrapped up the year with our closing program for school & Christmas celebration at church. It is because he came and died in our place that we can celebrate!

Teacher In-Service Days & 3rd floor Construction

Preparing for the 2024 school year with the staff and blessed by the Lord's provision of generous donations to construct the 3rd floor of the school, to house a large teacher work space, the library, and the science lab.

Father's Day & Esther Musical Drama

The special activity for fathers included games & the Gospel. A team from SC came for a week. They taught the book of Esther, helped in classes and we ended the week with our kids' choir presenting a musical drama allowing the students to see what they had studied played out.

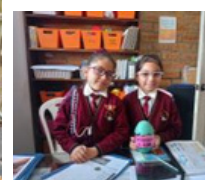

Food and Penny Drive

Our school community came together to support 5+ families who had all recently been through a serious loss either of a parent or with a major health issue
