### **World Reach is moving!**

Jorge and I are looking forward to seeing the new offices when we visit the States for the holidays! We'll be leaving on December 19, literally the day after the kindergarten graduation at La Roca, and we'll be there through January 9, when we head back down to Lima for the summer programs here. We hope to be able to share personally with as many of you as possible, but in the

### Our all-night prayer vigil

Since November 1 is a holiday here in Peru, on October 31 we held an all-night prayer vigil at Filadelfia. Honestly, we were surprised by the amount of people who made it through to the end. My eyes were certainly drooping around three in the morning! It was a marvelous time of worship and communion with each other and with the Lord.

In mid-November, Marco Requeña came down to Lima from Birmingham to teach in the Bible Institute in Alao. While he was here, we took advantage of having him and prepared a parenting workshop on Friday night and a marriage workshop on Saturday night.

Marriage and Parenting Workshops with speaker Marco Requeña

**Jorge gave a Gospel presentation after the workshops; we also shared the Gospel personally with the guests.**

The marriage workshops are one of our favorite activities at Filadelfia, because not only do they strengthen and build up the body of Christ, they are also wonderful outreach opportunities! Three of our most faithful families at Filadelfia (Carlos and Ruth, Uber and Sara, Cesar and Vania) came to Christ directly through the marriage workshops, and Vania's parents Mesias and Jesusa started attending because she did and later also came to Christ.

This particular month we were delighted to have new couples with us; Renzo and Yerli came both evenings, and Robert and Teresa for the marriage workshop. Single parents Marcos and Jessica (not a couple) also came for the parenting workshop, and for the marriage workshop, we had two lovely ladies from our church whose unbelieving husbands, Juan and Cesar (not the same Cesar who is married to Vania, haha!) accompanied them. Please be in prayer for each of these precious people, that God would give growth to the Gospel seeds planted through these workshops.

We were especially thankful for the College and Career group, who kindly helped out by providing child care both nights so that parents who had no one

### College and Career Group

We have more new singles coming to our College and Career Bible studies on Saturdays; please be in prayer for Alexandra, Abigail, and Silvana, that they would understand and receive the Gospel message. Please also continue to pray for Carlos, Juan, Eduardo, and Marlon, for their salvation.

We ended November with a special Thanksgiving Program. Each Sunday School class prepared special music, the new believers who came to Christ during the year shared their testimonies, Jorge preached a beautiful sermon on thanksgiving as a verb, and we ended the morning with a shared potluck meal (always a treat when you have as many good cooks as our church does!). We have so much to be thankful for this year.

finals and report cards, with kindergarten graduation in just two weeks.

At Filadelfia, we are planning an evangelistic outing this evening (Saturday) with the College and Career group, and the following Saturday, a special end of year banquet which the College and Career group is preparing for the elderly of the church. We are calling it our Crown of Glory banquet, from Proverbs 16:31; "Gray hair is a crown of glory if it is gained in a righteous life." Our desire is that the singles will make the elderly feel loved, valued, and listened to, and that the elderly will share encouragement and wise counsel with the singles. It will be a beautiful opportunity for them to be a blessing to each other, and we are looking forward to it.

And almost immediately after that, we are flying to the States! Please keep us in your prayers for safe travels and a blessed time while we are there. We know many of you will be travelling or spending time with family over the holidays; we also want to spend as much time with family as possible. But we would like to get together with as many of you as we can, as well, and share personally what God has been doing in and through us here in Peru.

Thank you again so very much for your participation in the Lord's work here in Peru! Your prayers, your support, your encouragement mean so much to us. We are blessed to be serving with you!

Rejoicing in Christ,

Jorge and Keesa
