

Dear friends,

Please keep praying. We are a week away from the first day of classes and our need has still not been met.

We have the preschool and elementary positions covered, yet we still desperately need teachers for the secondary level.

Would you pray specifically for teachers

- with a passion for God and desire to serve
- with classroom experience or training
- with an advanced level of English

Though I still have no idea how the Lord is going to work this out. I am encouraged by the promises of his Word, by remembering his faithfulness in the past, and by fellow believers who are interceding before the throne alongside me.

Pray also for Arianna's paperwork. Arianna is one of the new members of our English team at the elementary level. However, the paperwork with Immigration for her work visa is currently in progress. She won't be able to start working with the students until that paperwork is through. May the Lord continue to expedite this process!

Teacher team-building and training time from this past week

Blessed to know you are there and praying!
Anticipating how the Lord will show up!
