

Summer in Lima, Peru Huyhua Family

Dear Brothers and Sisters:
In gratitude and adoration to our God, we write this letter, sharing with you the good things the Lord has allowed us to experience this summer so you may rejoice with us.

Camps:

God has allowed us to complete four weeks of camps. It was a time of great activity and satisfaction as well. We started with the children's week, with approximately 83 children; then the youth week with 78; then young adults with 62; and ending with younger children, with 91. As we looked at the team we were working with, we saw not only a team involved and dedicated, but also see in them new leaders for the future.

During the camps, we were not only able to preach the gospel and teach the Word of God with main topics and workshops, but at the end of each week, we had an opportunity to share Christ with several of the parents of campers. In the wake of the camps, our groups for children, teens, and young adults are growing in number. We pray that they remain in the Truth and grow in it.

Evangelistic campaigns:

We had a medical team from the US visit us, and we had the opportunity to serve in the community through medical assistance in different areas. We took the gospel to people in 5 different places, and we had approximately 80 - 100 people in attendance per place.

We thank our Great God who still uses us, and we thank Him especially for the people He brought to the medical campaigns. They were mostly people who did not know Christ as Savior, and we were able to share the one God and Savior with them.

Our family:

As we are preparing for our school and ministry year, it is our desire and decision to continue serving Christ Jesus with gratitude. It is our intention to continue training people to follow the vision and mission, thus preparing not only the present generation at church, but also the future.

Prayer Requests:

We thank God for every activity and opportunity that one more summer gave us during January and February, and the opportunity He gave us to preach, teach, and train.

1. Pray for financial support. God has provided 40% of the support we need to raise for World Reach. Please pray that God will provide the remaining support, because this year (if God allows it) we will have trips in our country and around South America to teach and minister the Word of God, and we need the funds to be able to travel.

Evelyn is invited in November to travel and teach ladies in Colombia, God willing. That is why we share these needs with you, and continue our service to God.

We also have personal expenses, including our children's school. Their education is a priority expense of ours, and an opportunity every year to see God's hand of provision.

2. Pray for faithfulness in our life of devotion to God, because in the midst of so much activity, we do not want to lose our first love for Christ. Please pray that this would direct all our ministry.

In this way, brothers and sisters, we close this letter with joy and gratitude to God and to each one of you who allow us to continue serving.

You are part of our family, since in all these years you have been answers to prayer from our sovereign good God.

May the Almighty continue to bless you and continue to use you in your lives and ministry.

"To the end he may establish your hearts blameless in holiness before God, even our Father, at the coming of our Lord Jesus Christ with all his saints."
