Dear Friends,

We had a great trip to Kenya! My friends George and Carol Godwin travelled with me and were a great encouragement to the students and staff work during our time on the Muthetheni campus.

Thirty five students took the class on Leadership and Discipleship. Let me introduce you to 3 men who make this ministry happen in Kenya. Isaac (on right with blue shirt), is our Bible Institute coordinator who continues to oversee recruiting pastors and church leaders who enroll in the program. Patrick (green shirt, also with World Reach) gets the visiting teachers where we need to be. He also helped design the new buildings on campus and coordinated the drilling for a new well on the property. This “well project” was especially important because people of this community have depended on a local reservoir for

their water. It is especially moving to see people coming for the free water offered by our staff.

Horace is an incredibly gifted cook who also serves on the local World Reach Staff. During each week of the Bible Institutes, he prepares meals for 50 people each day...including those of us who travel to teach.

Kenneth (previous page) is a nurse who leads the clinic on the Muthetheni campus. He grew up in the children's home on World Reach's other site in Meru, Kenya. He is also a great blessing to this community in many ways!

Issac, Patrick, Horace and Kenneth are all gifted leaders who play vital roles in World Reach's ministry in Kenya. Please join me in thanking God for them and praying for their ministries.

**Please also thank God for:**

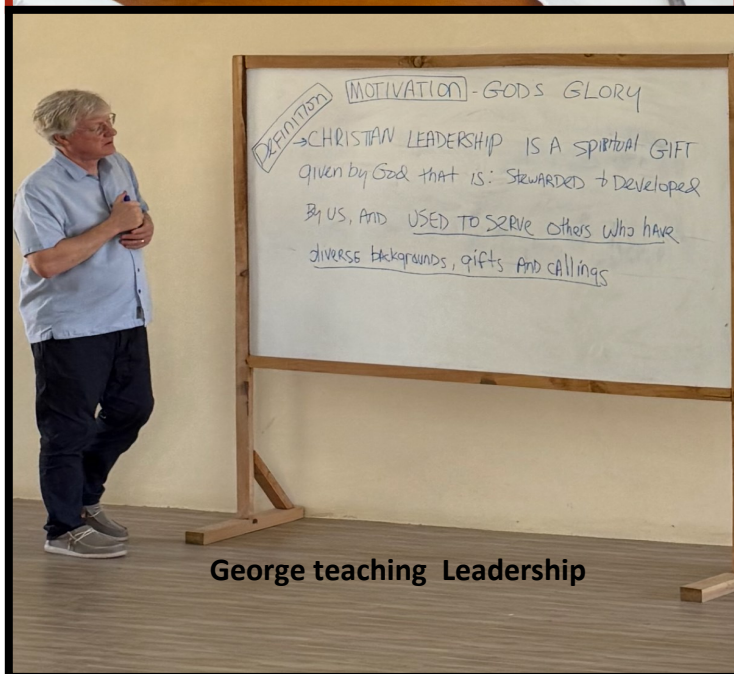

1. The many friendships we have in Kenya
2. Safe travel and health during our stay.
3. His provision to get us to Kenya.
4. Our family's protection while we were away.
5. The connections God continues to bless through Coaching and mentoring relationships
6. Financial support from individuals and churches

**Please pray for:**

1. My 3 upcoming trips to Colombia.
2. Wisdom for new class offerings in our curriculum.
3. Our new Bible Institute in Cucuta, Colombia

(70 students have already signed up!)

Thank you for your love for us and generous support of World Reach!
