Spring Cleaning!

Hello Beloved Children's Home Friends,

We hope you're enjoying the fresh breeze of spring! We have some wonderful updates to share from our Meru campus:

Recently, our children received essential dental care with check-ups and cleanings (we suspect this may have been "a first" for them). We thank God for the resources to provide this as we are committed to improving their health.

In more exciting news, the construction of our new dining hall is underway! This will be a fantastic addition, serving many important needs. Please join us in praying for a safe and speedy construction process.

Taking Christ to the Nations

Here to share more about this exciting development is our Children's Home Director, Patrick Mutwiri:

"Calvary greetings, I would like to take this golden opportunity to most sincerely thank all the supporters who have consistently supported the World Reach Children's Home. We thank God that through your support we are putting up a modern kitchen, dining hall, children's library, and the college students' dormitory. We were in a very pathetic situation, since the termites were winning the battle on our wooden dining hall. But the good news is that, through your giving, the grace is winning."

**God bless you so much for your continued support.
Yours in Christ's service,**

*Patrick Mutwiri,
Children's Home Director*
