

Taking Christ to the Nations

# ANDRES & MONICA ACOSTA

## March 2025

Dear Brothers and Sisters in Christ,

Greetings to you. We pray you are in good health. Thank you for your prayers, and for walking with us in our personal and family life, as well as in our ministry. We are thankful to God, who in the middle of so many trials, burdens, and struggles, is constantly by our side to encourage and talk to us daily through His Word.

We want to share with you about what is happening in our lives and in our ministry:

**FAMILY:** We are thanking God and encouraged by some news. Our son, Andres Esteban, is formally dating a young lady, and they have plans to marry. I have attached a picture so you can see them.

As far as my health is concerned, I had a post surgery check up. The results from the brain surgery look good, praise God. The two stints that they placed are looking good. The third aneurysm in my brain is looking good, and the doctor is no longer worried. God has worked in this, and we bless His name.

**MINISTRY:** In November, we had a beautiful time at a marriage camp teaching on the topic: Guarding the Heart. We were also involved in counseling and discipleship seminars.

In December, we had various events to close out the different ministries in the churches. Monica taught in various women's activities and shared the Gospel in each group.

It has been 10 years now since I have been sending out the devotionals by Dr. Charles Stanley. Starting about one year ago, I began receiving news of how those devotionals have impacted people throughout the years. For example, in the mountains of Peru and Ecuador, a brother there receives the daily devotions. He immediately translates it to Quechua and sends it to the people he knows. The effects these devotionals have on the hearts of so many makes me cry from excitement and joy to see what God is doing. There are so many testimonies just from sending out a daily devotional.

As we begin this year, there is a challenge to share the ministry we do with World Reach with the churches here. We ask you to pray for us that we may be effective and be wise with our time.

We would like to share with you an opportunity we have for this July: World Reach is organizing a retreat for missionaries and has invited families to join. Our children are grown and have families of their own, but as we have shared with them this opportunity, they are excited to attend with us. In our lifetime of ministry, we have attended many conferences and many retreats. Our children have always stayed behind, even as children growing up in the jungle. This would be the first time we have this opportunity as a family to participate together. We ask you to join in praying with us. We are praying for the future generations to become involved in missions and we would be excited to see our children carry on in this legacy. May God lead, work out the details, and provide financially for us all to attend.

If God leads you to partner with us financially, please read how you can do so below.

## JOIN US IN PRAYING:

- Please pray for our daughter Yamile Andrea. She had surgery on Tuesday, March 18. She will then have 90 days of recovery, which will be very difficult.
- My last brain scan will be August 2025.
- Pray for funds and the Lord's guidance for our family to attend the World Reach retreat in July.

We thank you for your time in reading about what God is doing.  
May God bless you always.

*Andres and Monica Acosta • John 15:16*

*Would you partner to provide the support we must raise for the mission of World Reach to serve in Argentina?*

- Go to [world-reach.org/donate](https://world-reach.org/donate) to give once or set up monthly recurring gifts under the campaign for "Acosta"
- Make a check payable to World Reach and mail to the address below with a note indicating your preference for supporting "Acosta ministry".
