"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit" Matthew 28:19

See all that God has done these days in the ministry of El Salvador:

In His great plan, we received two teams of brothers and sisters from Indiana in the months of February and March. They came to participate in the work God is doing.

The first group had the mission of preaching the Gospel in the city and building a kitchen for Family of Faith Church. We were all praying and anticipating what God would do during this time. Half of the time we planned to go into public schools and we planned activities in church where we could preach the Gospel. I would like to mention that it is forbidden to preach the Gospel in public schools. The second half of the time we planned to build a kitchen, simple but adequate for our needs at Family of Faith.

So we joined these two efforts and began building the kitchen, painting the church platform and the bathrooms, and preaching the Gospel. It was an incredible week working together with the brothers and sisters from CCC and Family of Faith. We alternated between presenting in the schools, singing, testimonies, dramas, and then back to build the kitchen! By the end of the trip we could see how God had worked out the plans and encouraged our hearts.

He used us to take His Word and to complete all we were called to do. The Gospel was preached, the kitchen was finished, and hearts were full of joy for what had gotten done!

SPRING BREAK IN EL SALVADOR

What a joy to see a group of young students use their spring break vacation to come to El Salvador and preach the Gospel. They were young, dynamic and with a great disposition to do the work of the Lord. We were in various public and private schools. We structured it in this way: We went to each classroom, introduced ourselves, had testimonies, then a drama, we preached using the Evangelism cube, we played soccer, basketball and preached the Gospel to as many youth as possible. It was an intense

as possible. It was an intense week, our mission was fulfilled, it was wonderful! God has been good and gave us an opportunity to serve Him. Now we are left with the follow up, the fruit of the week of evangelism. Thank you for your prayers for these events. There is no doubt that your prayer support was vital so everything would go according to God's plan. God is good. He provided, He took care of us each day, He strengthened us, and He gave us energy to do His work. Blessed be His name.

PRAYER REQUESTS:

- *Pray for the people we connected with during each team's visit. Pray these people will have the desire to attend church.*
- *Pray for an activity we will have with all the youth we connected with, we are planning a hike together.*
- *Pray for wisdom and direction from God and energy to continue each day in the work God has called us to.*

Thank you for your prayers and your support for my life and ministry in this part of the world.
