## Jan. to March 2025 Update Report

---

A mosaic of our 1-day professional development sessions in different schools. Through this initiative we touch the lives of Ministry of Education officials and teachers whilst opening doors for doing ministry.

## DIRECTOR'S COMMENTS

During a professional development with Hhohho HOD's-English

What a start to the year! It's been busy and we really thank the Lord for the strength to cover so much ground in such a brief period of time. It's great to be able to write and share with you some of the things that God has enabled us to do. Am reminded of Job's words;

*"He does great things, too marvelous to understand.  
He performs countless miracles". Job 5:9.*

We look back with joy at what we can appreciate God for in the last few months. Please join us in thanking Him.

### Praise Items for first quarter in 2025

**1. Saved souls:** We thank God for the lives that accepted Jesus as their Lord and Savior in our outreaches.

**2. Trainer Development:** We held our on-going training of our trainers on the 8<sup>th</sup> of February.

**3. Staff Development:** Through this open door we are able to develop teachers professionally while retaining multiple opportunities to present the gospel.

**4. Peer Educators Development Seminars:** We thank God for the opportunity to continue with this initiative.

**5. Mental Health mentees:** In a first, we held a vision casting and orientation session for seven young professionals on March 15.

**6. Student Seminars:** We thank God for the open door to minister to churches and organizations on mental health issues.

## Updates

### 1. Trainer Development

We held our on-going training of our trainers on the 8<sup>th</sup> of February. The purpose was to pray together and lay a solid foundation for the year ahead. What a time of fellowship we had as a team of trainers!

### 2. Staff Development

Through our professional outreaches the following groups have been touched:

- **Ministry of Education Officials:** The Ministry of Education, ETGPS (Guidance and Counselling Unit) held a team building workshop and World Impact was asked to facilitate. What an opportunity we had as we impacted the 48 ministry officials who participated.
- **Schools:** To date we have reached out to 8 schools with about 300 teachers; making a professional and spiritual impact in the lives of these teachers.
- **Head of Departments (HoD's):** In a first, we held a 1-day professional training with HoD's for English and Religious Education in Hhhohho and Shiselweni regions. This saw us reach out to 65 and 88 teachers respectively. Such an opportunity allows us to have a foothold where we would otherwise not have had one. As a result, we are seeing more open doors to go to the schools next term to conduct in-house staff developments for the teachers.

### 3. Peer Educators Development Seminars

Our on-going Student Trainers development is an opportune moment for us to engage them for purposes of discipleship and mentorship in order to minister holistically in our outreach to students through our Study with Success program. We have a team of 13 young people that we are working with.

After a hard day's work, our peer educators enjoying a meal!

## Student Seminars

We have reached out to 12 high schools (about 4500 students) with a message of hope, life and the transforming truth of knowing our Lord Jesus Christ.

Eswatini is known for being a Christian country yet the roots of our Christianity do not go deep. May our outreaches bear lasting fruit in this regard.

As we look ahead we have a number of activities lined up for the year. Please pray for the following;

1. Student Seminars: on-going
2. Staff Development: on-going
3. Lampstand/Church revitalization: May
4. Student's essay writing competition: March-July
5. Teacher Training: August
6. Visit by World Reach CEO-July/August

## 4. Mental Health mentees

Our group of young professionals, who have a background on Mental Health training, have been exposed to our model of using felt needs to do ministry.

After our vision casting session one of them remarked, *"I cannot believe that this will give me an opportunity to minister to others using my professional skills"*.

Please pray for them and that God will stir their hearts to partner with us for the long haul in the ministry.
