MISSIONARIES IN HONDURAS

MARCH 2025

DEAR COLLABORATORS OF GOD'S KINGDOM,

I hope that as you receive this letter, you are enjoying the grace of God. I want to begin this letter by thanking God and all of you who prayed and contributed to the recovery of our brother, Jesús Hernández, who was bitten by a dog. Thanks to God, brother Jesús Hernández is much better, although he still cannot work as he needs to recover fully. However, thanks to your prayers and offerings, he and his family have what they need for their sustenance. They also have what is necessary for their youngest child to complete his studies this year. Once again, thank you very much for your prayers and financial help.

PRAYER: *I ask you to continue praying for this family and for the families of other leaders in the Lenca area.*

I also want to share with you that, along with these leaders, we continue to spread the gospel to different parts of the Lenca region. We already have three buildings where our brothers are conducting their own worship services. There are two more locations where we need to construct new buildings so that our brothers can gather and not have to walk two to three hours to attend services in El Duraznal.

Thank God these groups are growing in numbers and knowledge of God's Word. However, this growth has led to what I call "a beautiful problem." I know, logically, there shouldn't be beautiful problems, but this is beautiful because the increase in new families and believers in these various places brings us the need for new gathering places and new classrooms for Sunday school classes for all ages. We thank God for this constant growth in new congregations, but also pray for the provision of financial resources to build the Sunday school classrooms.

PRAYER:

Please, I ask for your prayers for protection and strength for us and other leaders in the Lenca area. We also ask for your prayers for God to provide the financial resources needed to construct these Sunday school classrooms.

As missionaries of World Reach, besides evangelism and church planting, we also train leaders and pastors in different parts of Honduras. Together with other coworkers, we already have a complete schedule for this year to continue training the leaders of the Lenca area. Additionally, we have been teaching classes in northern Honduras near Lake Yojoa in a community called "Cañaveral," and another community called "Las Vegas." In August, we will be teaching a class in southern Honduras, where approximately 40 leaders and pastors from the area will gather.

PRAYER:

We ask for your prayers for protection, health, and for God to always provide the means to reach these communities.

In the local church, we have been working on discipleship with a small group and assisting with sermons at both the CFC church in Paso Hondo and the CFC church in Balibrea.

In the Balibrea church, we continue to work on the children's feeding program and school scholarships. Thanks to your prayers and financial support, this year we were able to continue helping many children with both scholarships and food.

In Balibrea, a new group for prayer and Bible study is being started, where there is already a good number of people, both children and adults. We hope in God that in the future this group will become a new church.

Thank you for being part of this work, and may God continue to bless you.

In Christ,

Noel & Reina

PRAYER:

We ask for your prayers to God for our work in the local church, that He continues to use us and raise new leaders for His glory. Please pray for God to continue providing for school scholarships and the children's feeding program. Pray that God gives grace to Pastor Yovani and us to bring the gospel and Bible studies to the new group that is opening.
