WOMEN'S STUDY

YOUTH FELLOWSHIP

DISCIPLESHIP

The year is off to a great start. In January our women's Bible study really took hold. We are currently meeting weekly to talk, pray, and read through "Respectable Sins," a book by Jerry Bridges. This book has really challenged us to not get complacent with the sins we tend to tolerate in our lives.

EVANGELISM TRAINING

This February, we took 7 members of our church to a Samaritan's Purse discipleship training. It was the first time our church members have been interested in learning discipleship and evangelism strategies. We are excited for the next few months as we plan to put this training into practice in our church neighborhood.

DISCIPLESHIP

This year our focus as a church has been on discipleship. We want to move beyond just knowing the gospel and into letting the gospel change our hearts and our lives. Each discipleship group (pictured at the top of page one) has been an encouragement to the individuals in the group and our church as a whole. We look forward to seeing how discipleship changes the church as a whole.

PRAYERS AND PRAISES:

- We had an amazing week long Colombia missionary retreat in January. This allowed us to plan the ministry calendar for 2025.
- God provided school supply kits for 35 kids and teens in our church.
- We are feeling so encouraged by the discipleship groups in our church.
- Pray as our church plans multiple evangelism outreach events for the month of March.
