

Larry and LaShoron McNeal

Grace to you and peace from our Lord Jesus Christ!

Since my last newsletter, the Lord opened an opportunity for my wife and I to teach evangelism for 3 weeks at Eastern Star Missionary Baptist Church in the Birmingham area. The Pastor and I are good friends and brothers in Christ. At Eastern Star, learning how to share their faith was new to them so they were fearful but willing to learn. After teaching the Evangelism Explosion outline for 1 week, they were able to demonstrate with each other what they had learned. Each week it became a little more familiar with them. Engaging people in our everyday life can be a little frightening, but we know we have a mission from our Lord to go into all the world and that includes wherever He places us we are to labor with Him in making disciples. One disciple can make many more disciples. (Matt 28:19).

What a privilege to labor with Him on our job. Each Tuesday after work we are still doing Bible Study with co-workers, and now some of our family members are coming and friends I knew out in the world. You all know how I constantly prayed and still am praying for my family. What a joy to see them come week after week to learn from God's Holy WORD. No one can give you a hunger for spiritual things except the One who created you. Praise God!

Please continue to pray for me to go into the jails and prisons again since there is such a need and there is corruption we see now even in the prison systems. I have several young men I know very well who are now in jail for various crimes. I was supposed to meet with the Warden but that appointment was cancelled.

Many thanks to our ministry partners who labor with us in prayer and support us in financial contributions. We cannot thank you enough for all you do in making this possible. Your support goes not only here in the states but across other countries. What a blessing!!! If anyone would love to support the work of this ministry through World Reach, ask the Lord in prayer if you should give to this work.

Prayer Requests

Our health, our family member's salvation, the spread of the Gospel, and that we speak the Gospel boldly as we ought to speak.

We love you all, *Larry and LaShoron McNeal*
