

Arriga - El Salvador

July 2025

I can honestly say that the second trimester of this year has been very intense for me. In May, we celebrated Mother's Day at Family of Faith. This is one of the biggest celebrations of the year. There were over 40 guests and many happy mothers. We enjoyed a special program with food and many surprises. Three people received Christ as their Savior. We saw the hand of God before and during the event. God is good.

On June 15, we celebrated Father's Day. As is tradition, for our church, we had pupusas, the traditional food in El Salvador. This was a beautiful celebration. We were able to honor the fathers and we preached the Gospel. We had over 15 guests in attendance. It was beautiful to see the church so unified and to honor the fathers. Blessed be His name.

Go throughout the world and preach the Gospel and baptize them in the name of the Father, the Son and the Holy Spirit.

We baptized 6 youth, and we were so happy to see them go through the waters of baptism and to be ready to serve God.

New church members, Praise the Lord!

I traveled to Colombia to teach in the Bible Institute in Medellin.

The class was The Church and its Mission. There were four churches that participated in the class. This was a unique experience and we saw God guiding each class. We learned the principles to strengthen the church and to train them to share the Gospel with others. They had a great desire to learn and to serve God. Glory to God for the opportunity to share the Word of God with other brothers and sisters and to train them to share Jesus with the people in their city and country.

I want to thank each of you for praying for me and for the ministry God has given me. Thank you for walking with me in my life. I am thankful to God and to you for the opportunity to preach the Gospel in El Salvador and beyond.

As I write this letter, I have the opportunity to travel to Peru to teach Ecclesiology and Eschatology. I will be teaching leaders in the area. I also have the opportunity to preach to the youth group in Philadelphia church in Lima before heading to the jungle. Thanks to the invitation from Jorge and Keesa Gutierrez, missionaries to that church.

-Please pray for my health and for God's care as I travel to Peru in July.

-Please pray for wisdom and direction each time I teach. Especially for the preaching time in Lima and as I teach the pastors in the jungles of Peru.

-Please pray for the ministry in El Salvador, for the work at Family of Faith and that God would challenge the members to be involved each day in the work God is inviting them to participate in. May they grow in their gifting as they practice.

Thank you for your prayers and your support for my life and ministry in this part of the world,

Leo Arriaga
