Together in God's Work

Together, we are helping the church in Honduras grow. Thank you for partnering with us in leadership training and evangelism. Missions is truly a team effort, and we are grateful to have you serving alongside us.

This summer, we had the privilege of visiting all our supporting churches and many of the individuals who faithfully invest in our ministry. We were joyfully overwhelmed by the generosity we experienced and encouraged by the new connections that may lead to future partnerships.

During September and October, I had the opportunity to invest in the growth of more than 100 church leaders. In the towns of Cañaveral and Las Vegas, I taught a six-hour introduction to Apologetics, presenting thoughtful and reasoned arguments for believing in God and the Bible. In the village of El Carreto, I taught Hermeneutics—the fifth course in our Mobile Bible Institute curriculum—focusing on practical strategies and skills to help students study and understand Scripture more deeply.

Wonderful things are also happening in the mountains among the Lenca people. Our World Reach team has been investing in the growth and training of leaders from ten villages—and there are now believers in all ten! This group meets monthly for Bible study and ministry training. In November, we will take a small team from Warren Church in Augusta, Georgia, to provide additional training for eight health promoters representing eight of these villages. Efforts like these reflect our long-term vision to encourage both spiritual and community development among the Lenca.

Thank you for serving alongside us. Your faithful prayers and financial partnership are an essential part of all that God is doing here.

Prayer matters

- Please continue to pray that God will raise up new partners who will join us through financial support and prayer.
- Please pray for the students in our Mobile Bible Institutes who dedicate many hours each week to studying God's Word. May they continue to grow in their love for Him and in their service to their communities.
- Please continue to pray that the Word and love of God will spread throughout these villages—and that the Lenca people will find true life and lasting hope in Christ.
