

THE BARRIENTOS IN PERU OCTOBER 2025

WORLD REACH®

Taking Christ to the Nations

Beloved,

We just want you to know how grateful we are that you love us, pray for us, and support us financially in God's ministry. You are a significant part of our lives and ministry. We want to share with you that these last months were months of many activities in the ministry. Eva had the great opportunity to teach a conference to ladies in Colombia, and I had the opportunity to teach a Bible class in our mobile Bible Institute in the jungle of Colombia to pastors and church leaders.

Teaching at our Bible Institute is a blessing. In September, I had the privilege to teach in the jungle of Colombia. This picture was taken the Sunday I went to preach at a church I could only get to by wooden canoe, which was a scary experience. I had a class of 15 pastors and church leaders who spoke a different language, but with the help of our translator, they were able to understand the truth of God's Word. Thank you for praying and helping us to train pastors and leaders in God's Word.

This year, both Eva and I are teaching Bible classes to the 11th and 12th graders. It is a difficult age and a challenging season in their lives—full of questions, transitions, and spiritual battles. At times, we've felt discouraged and frustrated, wondering if the Scriptures were truly reaching their hearts. But this month, two teenage girls came to our house with a great desire to surrender their lives to Jesus Christ and receive Him as their Savior and Lord. They came seeking. They said, "We cannot continue to live in our sins; we need Jesus." This encouragement is teaching us that our labor in the Lord is not in vain.

Here is the picture of Rachel after she received Jesus as her Savior. Six years ago, when Rachel was 10 years old, her mother went to be with the Lord. Her desire was that she would continue to study at La Roca Christian School, and this month, Eva and I were delighted to see God's purpose for Rachel's life. Continue to pray for more salvation and for the school ministry.

Beloved, God is glorifying himself in the midst of all the chaos we are facing worldwide. He is still God, He is still in control, and He is the Sovereign God. We can trust Him and live under His guidance and wisdom.

Please continue to pray for us. Continue to pray for our continual spiritual growth. This moment we are in Curacao, my home country, to preach at a mission conference. We ask you to pray that God will move His children's hearts to live a life under the fear of the Lord.

We love you and pray for you.
Till all will hear of the Savior,

Juan, Eva and Priscila Barriento
