Light from the Gospel and a Vision for Ministry

Over the past months, we've been intentionally investing our time and hearts into the next generation. Through camps, Bible clubs, and youth gatherings, we've seen God move powerfully among children and young people. Many are hearing the Gospel clearly for the first time, and others are growing in their faith as they take steps of obedience and service. It's been a joy to walk alongside them, to listen, to teach, and to see the Holy Spirit shaping their lives for His glory.

Our focus has been not just on programs, but on people — discipling young hearts to know and love Jesus deeply. Every verse memorized, every prayer shared, and every small act of kindness is part of building a generation rooted in truth. We believe God is raising leaders among these kids and youth who will impact their communities and carry the Gospel farther than we could imagine.

We are praying and trusting God for a piece of land where we can build a Youth Center — a safe and welcoming place in one of the toughest areas near where the children and youth we serve live. Our desire is to create a space where young people can grow in their faith, receive biblical training, and experience God’s love through community and discipleship.

This center would become a hub for outreach, mentorship, and transformation in a place that desperately needs hope. Please join us in prayer as we seek God’s provision and direction for this project — believing that He will make a way for His vision to become reality.
