THE HUYHUAS

November 2025

Dear Brothers & Sisters,

We want to express our gratitude to you for being part of our service to God by supporting us with your giving and prayers. We can't stop thanking you for the opportunity God gave us to travel as a family to Colombia in July to attend the World Reach Latin American Missionary Retreat. We enjoyed a great time with the World Reach team. Our children were able to meet and interact with several brothers and sisters who work in the World Reach office and were very happy with the love shown to them. We were also able to visit the church in Medellin in Bello, where God gave us the opportunity to minister His Word at a leadership conference for four days.

From October 8-21, God also gave us the opportunity to travel to Armenia, Colombia, to teach and participate in a youth camp for 4 days. It was another wonderful experience. It's been a long time since I've been able to travel with my wife, and we really enjoyed ministering and serving together.

Afterwards, I taught with Evelyn at a family conference for 5 days at a church in Armenia. We were also able to share with different families and believers in Christ. We went to bless others, and we were blessed with the love of our brothers and sisters and new friends from that place.

We had a time of great blessing and ministry, and we're thankful to God for how He used you so that we could have this opportunity to help fulfill the Great Commission of making disciples and teaching the Lord's commandments to all nations. All of this was possible thanks to God placing in your hearts the desire to support His work and be a part of it. Once again, we are so grateful to be part of the work that God is doing and will continue to do.

We love you with the affectionate love of Christ,
