WORLD REACH®  
Taking Christ to the Nations

December 2025

Quarterly Update

## Season's Greetings!

As the year draws to a close and we reflect on the gifts Christ has given us, we want to share some truly exciting news from our World Reach Children's Home. Thanks to your incredible support, the construction of our new facility is nearly complete. The building is undergoing final painting, and we are close to opening the doors!

## A Growing Home

We look forward to soon installing brand-new furnishings, including bookshelves and comfortable beds. This three-story building is designed to foster education, well-being, and relationships among the children and their caretakers. It features:

- A new dining hall equipped with both wood and gas stoves.
- A dedicated recreational room with games like foosball and table tennis.
- A library and computer room designed to enhance the children's educational opportunities.
- Rooms for housing vocational students.
- Solar hot water heaters for sustainable comfort.
- A fridge and freezer to support efficient and healthy meal preparation.
- An open-air third floor that will function both as a laundry area and a protected play area.

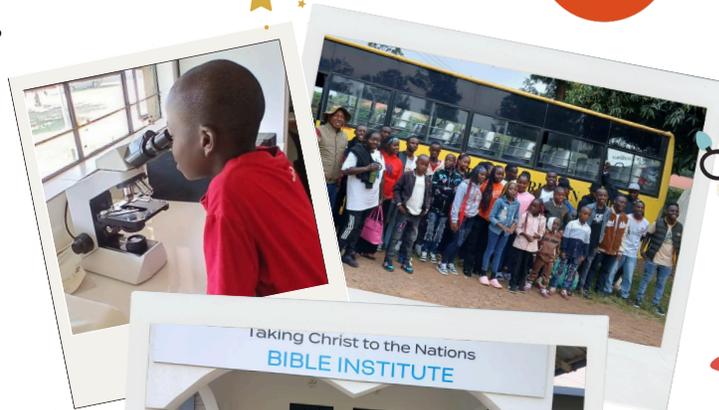

These improvements are more than just new amenities; they represent a commitment to cultivating a safe, healthy, and fruitful life for every child.

New Facility is nearing completion!

## Hope For The Future

As we improve the facilities for these kids, we also wish to expand their horizons. This month, the entire Children's Home took a field trip to visit our Medical Clinic campus in Muthetheni to get a hands-on experience to see the clinic, how it functions, and to see what previous Children's Home kids grew up to become. We pray that this trip opens their eyes to the possibilities of what they can pursue vocationally and that they would be motivated to dream big and work hard!

World Reach Muthetheni Campus

Chris, age 5

## Meet Chris!

Say hello to Chris Muriuki, the newest member of the Children's Home! Chris joined the Children's Home after living with his grandmother because he lost his mother two years ago due to breast cancer. Please pray that his smooth adjustment continues and that he will adapt well in the new school setting once school starts in January.

We express our heartfelt gratitude to the Lord for the remarkable work He is continually accomplishing through our Children's Home. Our deepest desire is for these children to keep learning, loving, and developing a true relationship with Christ. We are thankful for your prayers and support. We kindly ask you to hold these kids in your hearts this season. As we step into a new year, we faithfully look to God from whom all blessings flow. We wish you a Merry Christmas and a Happy New Year!

***"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." ~ Jeremiah 29:11***
