

# Season's Greetings

*Andrés & Mónica Acosta in Argentina*

Greetings, beloved Church:

We enter the last month of the year, and our hearts pause to contemplate one of the most wonderful, unique, and universal events in history: the arrival of the Son of God. That promised child, foretold by the prophets—"The virgin will conceive and give birth to a son, and they will call him Immanuel" (Matthew 1:23)—came into a world of darkness to bring hope, restoration, and life.

His birth was not an isolated event, but the glorious manifestation of divine love. "For to us a child is born, to us a son is given" (Isaiah 9:6), reminding us that God did not remain distant, but came down to us so that the light of the Gospel might shine upon us through His blessed grace.

Jesus came to reveal our true condition before God, but also to show us the sure path to reconciliation. He declared, "I am the light of the world. Whoever follows me will never walk in darkness" (John 8:12). That light continues to shine today, even amidst our personal struggles, fears, and challenges.

May this month allow us to pause, look at the manger with reverence, and renew our gratitude for the love that transformed our lives and history, and that can transform the hearts of those who do not yet know Him.

We want to send our final letter of 2025, with gratitude and praise to God for His grace and goodness. Despite the difficult situation we are experiencing in our family—the passing of Monica's younger sister, her mother's Alzheimer's disease, and our financial needs—God is always there to help and sustain us, not only financially but also emotionally, spiritually and physically. This year we had to learn lessons in silence while we waited, and in doing so, we came to know that God is God. His comfort and joy were that we will become grandparents twice over: first to our eldest daughter (Yamile) and then to our middle daughter (Melissa), with two boys whom we, as grandparents, dedicate to His glory and honor.

Thank you so much for helping us with your offerings of love, your time in praying for us, and for reading our letters. One of the things we are constantly grateful for is that each of you has partnered with us, understood us, and comforted us. Thank you and blessings.

We want to share with you what GOD did in these past 3 months:

- We taught at a church anniversary celebration for a church founded through our ministry. It was a beautiful time, and we witnessed the salvation of precious souls.
- I taught at a missionary conference and led the closing ceremony of an event held exclusively for men from the church.
- Monica taught at a women's retreat and also participated in teaching at a closing ceremony for women

## *Prayer Requests for 2026*

- Please continue to pray that the remaining 22% of the support we are responsible to raise for World Reach comes in soon.
- Pray as we will be holding several seminars in different churches, including discipleship programs, marriage preparation courses, and workshops on the principles of Christian living for young people and young married couples.
- Pray for Monica's meetings with women from different churches to discuss topics such as personal and marital conflicts, and spiritual healing according to the Bible.
- Pray for activities such as counseling, discipleship programs, leadership seminars, and spiritual retreats we are involved in.

Thank you for your time and willingness to be a part of our life and ministry. We wish abundant blessings for you, your family, and your work for the Lord.

With gratitude and best wishes in Christ for each of you. Our love to you.

Andrés and Mónica Acosta
